4 Accidents Yesterday.

In yesterday's issue of this paper four accidents were recorded—an amputated hand, a fall over a stairs, a fractured arm and a broken leg. None of these injuries were expected, but they evidence the fact that no one is immune from injury.

We issue attractive accident policies costing only from \$5.00 per year up to any figure desired, according to the weekly indemnity payable.

For instance, our \$16.00 policy pays \$25.00 a week for any injury and \$2,500 for the loss of any limb, and \$5,000 for both legs or arms, sight or life.

Ask us about it. Assets nearly \$37,000,000.
