AVOID QUACKS
A VICTIM of early indiscretion, causing nervous debility, premature decay, &c., having tried in vain every advertised remedy, has discovered a simple means of recovery, which he will send free to his fellow sufferers. J. H. RETVES, 78 Nassau street, New York, underly.

Batchelor's Hair Dye.
THIS SPLENDID HAIR DYE IS THE BEST in the World. Harshness, redness, instantaneously, does not contain lead, nor any other poisonous substance, and is perfectly safe. Avoid the quack and deceptive preparations boasting virtues they do not possess. The genuine W. A. Batchelor's Hair Dye has 20 years' unimpaired reputation, and is the only one as the only perfect Hair Dye—Black or Brown. Sold by all Druggists. Applied at 11 Bond Street, New York.

YOU NOW CAN KNOW THE REAL MARAVILLA.
Polophyllin (May Apple) or Mandarino has long been known as a powerful purgative, and has been much used in some sections of our country, and is now very generally recommended by physicians in the place of Calomel or Blue Pill for Liver Complaints, &c. Compound Extract of Colophyllin is considered by Dr. Schlegel, of Leuburg, as one of the most generally employed and safest cathartics in the whole Materia Medica. Extract of *Hyoscyamus* given in combination with active cathartics (such as aloes) corrects their griping qualities without diminishing their activity. *Nigella*, *Nigella*, *Materia Medica*. All the above highly valuable remedial elements are with their largely used in the manufacture of the *Sibonense* (Indian) Vegetable Restorative Pills. No wonder they are ahead of all other Pills, as a family medicine!

Maravilla Cocoa.—Opinions of the Press.—"Those who have not yet tried Maravilla will be well to do so."—*Morning Post*. It may justly be called the perfect one of prepared Cocoa."—*British Medical Journal*.

Maravilla Cocoa.—The *Globe* says, "Taylor Brothers' Maravilla Cocoa has achieved a thorough success, and everywhere other Cocoa in the market. Its solid stability, a delicate aroma, and the concentration of the purest elements of nutrition, distinguish the Maravilla Cocoa above all others. For invalids and Dyspeptics, we cannot recommend a more agreeable or valuable beverage."

Homeopathic Cocoa.—This original preparation, which has attained such a world-wide reputation, is manufactured by TAYLOR BROTHERS under the ablest homeopathic advice aided by the skill and experience of the inventors, and will be found to combine in an eminent degree the purity, fine aroma, and nutritious property of the fresh nut.

Soluble Chocolate.—The above articles are prepared exclusively by Taylor Brothers, the largest manufacturers in Europe, and sold in tin-lined packets only, by storekeepers and others all over the world. Steam Mills, Brick Lanes, London. Export Chocolate Mills, Druggists, Belgium. F21-wy

NO RISK.
Thomas' Electric Oil! Worth Ten Times its Weight in Gold. Do you know anything of it? If not, it is time you did.

PAIN cannot stay where it is used. It is the cheapest medicine ever made. One dose cures Common-Sore Throat. One bottle has cured Bronchitis. Fifty cents worth has cured an old Standing Cough. One or two bottles cured cases of PILES and RHEUMATISM. Six to eight applications cure any case of EXCORIATED NERVES or LYSANDED BREAST. One bottle has cured LAMB CURE of eight years standing. Daniel Plank, of Brookfield, Tioza County, says: "I went thirty miles for a bottle of your OIL, which effected a WONDERFUL CURE of a CROCKED LAMB by six applications." Another, who has had ASTHMA for years, says: "I have half of a 50 cent bottle left, and should not buy any more."

Rufus Robinson, of Nunda, N. Y., writes: "One small bottle of your Electric Oil restored the voice where the person had not spoken above a whisper in five years." Rev. J. Malbone, of Wrentham, N. Y., writes: "Your Electric Oil cured me of BRONCHITIS in ONE WEEK." Dealers all over the Country say: "We have never sold a medicine that has given such complete satisfaction as this."

It is composed of Six of the Best Oils that are known. It is as good as a tonic for general use, and is believed to be immeasurably superior to anything ever made. Will save you much suffering and many dollars of expense. It is sold by one or more dealers in every place. Price, 25 cents.

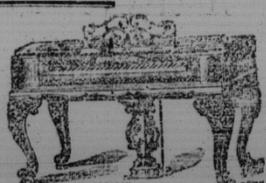

Prepared by S. N. THOMAS, Phelps, N. Y., and NORTHROP & LYMAN, Newcastle, Ont., Sole agents for the Dominion.

NOTE.—Electric—Selected and Electric. Sold in Guelph by E. Harvey & Co., A. B. Petrie, McCullough & Moore, and all medicine dealers everywhere.

Allow me to call your attention to the
CELEBRATED OSHAWA PLOUGH!
PRICE \$13.00

And to state that in consequence of the advance in Iron and Steel, I shall have to charge
Two Dollars more for them after the 1st of April.

All those who wish to procure one should therefore do so at once.

THESE PLOUGHS ARE THE BEST
For General Purposes made, and are warranted to do their work well. The following are among their advantages:

1st.—The peculiar shape of the Mould Board, enables them the easiest running Ploughs in existence, and at the same time does not allow the earth to adhere to them.
2nd.—They cut some ten or eleven inches clear and smooth in the bottom, rendering it almost impossible for Canadian Thistles to exist where these Ploughs are used.
3rd.—The Price will be only \$15 credit, or \$13 cash.

FELLOWS
HYPHOPHOSPHITES
As all life-endowed bodies, whether they be Beasts, Birds, Reptiles, Insects or even Zoophytes, and subjects of the Vegetable Kingdom are governed by vital force, which binds all the springs of existence, and as nothing can survive them from destruction when this principle leaves them, the discovery of means whereby vitality may be sustained in the living body is indeed a boon to the world.

Modern Chemistry has ventilated the question and discovered the ingredients constituting the brain, muscles and nerves, and finds that by introducing these ingredients in proper proportions the brain and nervous system are strengthened.

It is adapted for all cases of Weakness and Emaciation, whether arising from a Sedentary life, a tropical climate, from fever, or debility from any cause, and is especially adapted for Consumption, many confirmed cases having been cured and all benefited, where its use has been continued over a fortnight.

In Bronchitis it is a specific, and in Asthma it gives relief where every other remedy fails. For Nervous Debility it stands unrivalled, and may be used with confidence in all cases. As this is entirely distinct and different from every other preparation of Hypophosphites, be careful to see that it is *Fellows' Syrup*, and take no other.

Mrs. Ann Kennedy, of Painesville, Ohio, says: I have suffered with Asthma 24 years, have been doctor'd by many Physicians, as soon as I took the Balsam it relieved me, I cannot express the gratitude I feel for the benefit your Allan's Lung Balsam has been to me.
Dr. Harris, of Middlebury, Vermont, says:—I had been troubled with Bronchitis for two years so effecting the organs of speech that I could not speak aloud for six weeks, I had with it a severe cough and cold night sweats, I took two bottles of Allen's Lung Balsam, and am entirely cured.
Capt Foster, of Burwell, Ont., says: I have been troubled with a cough at times very severe for years past. I have found Allen's Lung Balsam to relieve my cough more readily than any other cough medicine I have ever tried. My wife also used it with the most satisfactory results. The Balsam is sold by all druggists. Price 25 per bottle.
