This week our own hats reign supreme. If they seem to you to have the true French style. remember that our own artists, surrounded by French models, drawings and photographs, and with French shapes to build on and French flowers, plumes and trimmings to work with, breathe the very atmosphere of Paris. Gifted with a wonderful intuition of all a

Wednesday,

hat should be, and the magic fingers to make it so, OUR ARTISTS HAVE ACHIEVED MARVELS. These hats are modified to bring within the

reach of all styles designed by the master minds of the millinery world. To write and talk and describe the shapes,

the trimmings, the colors and the wonderful plumes, would be to tell you as much of the finished effect as the words "paint" and "canvas" might tell of a beautiful picture.

You need to see the picture, and you need to see the hats. Prices within reach of all. Come. You are welcome to see. Second floor -take elevator.
