

TRAFFIC RECORDS OF YESTERDAY CLOSE TO RECORD SAY OFFICIALS

Steam and Electric Lines Unusually Rushed.

SOLDIERS BIG ATTRACTION

Camp Drew Thousands Into City and Sent Many Away for Visit, Too.

For a mid-week holiday, yesterday's traffic came pretty nearly to the point of breaking all existing records, say officials of the various roads running into London.

Many people who live near the city came in yesterday to visit their friends at the camp, and were to be seen in the "white city" by young fellows, who were still conscious of the fact that they had a uniform on.

Port Stanley was more than usual a mecca of holiday visitors, and the cars of both lines were packed, literally, to the proverbial roof.

While the weather conditions for the day were all that could be desired they had the effect of reducing holiday traffic by no inconsiderable measure.

Farmers took advantage of the day to get more seed in, because of the late season, and as a result the farmers of the district were, for the most part, represented only by the feminine members of the household.

QUIET FOR POLICE

Victoria Day Almost Real Holiday—Lost Kiddies Found.

A quiet day was Victoria Day for the police force, only some drunks being taken in, and until the very small hours the station resounded with their (the drunks', not the police) yells and shouts.

A bicycle owned by Harold Laird was stolen from the rear of the G.T.R. station. The machine was black enameled, with red and white rims, and was No. 67637.

An automobile marker M.492 was found on King street opposite the market.

Several children who were lost were located by the police and returned to their parents.

EXPECT GOOD MARKET

Saturday's Offerings Should Be Heavy Because of Poor Week.

There should be a good market on Saturday and the local demand should be brisk. There has not been a good market during this week, few farmers coming in and no townpeople turning out.

A MOTHER'S DUTY TO HER DAUGHTER

Her Health Must Be Carefully Guarded as She Approaches Womanhood.

The mother who calls to mind her own girlhood knows how urgently her daughter is likely to need help and strength in the years between early childhood and womanhood.

NO QUARREL WITH WEATHER MAN FOR 'VICTORIA DAY'

Real Picnic-Holiday Brand Served to London.

THOUSANDS AT RESORTS

Springbank and Port Stanley Vie in Attractiveness to City Folk.

The warm wave came just in time to make the 24th of May a great big success from the standpoint of holiday-makers and transportation companies.

Thousands during the day visited Springbank Park, and by noon it was necessary to call every spare car into service on the park line, without in any way interfering with the regular city traffic lines, which was heavy all day.

The men in khaki were especially prominent in the crowds, and down at the park much friendliness was shown by the picnickers towards the soldiers, many instances being witnessed of parties around their lunch tables.

Refreshment booths were besieged by customers, and the festive ice-cream cones were particularly in demand.

The dance hall enjoyed a popularity not excelled all last season, though the last car was supposed to leave for the city at 11 o'clock, it was considerably later that time before all the merry-makers were conveyed home.

GERMAN DESERTERS FLOCK OVER SWISS BORDERS FOR FOOD

Thousands Claim They Are Starved At Home.

Food Scarce, But Despered Huns Have To Be Given Share.

George H. Larsche of 592 Colborne street, a native of Neuchâtel, Switzerland, has received letters from relatives in his old home, which confirm the stories of German starvation received by the press in the last few weeks.

As is generally known, Switzerland is suffering seriously through the war. It imports a large quantity of its food-stuffs and fuel, and is not self-sustaining.

One of the country's misfortunes, according to the letters received by Mr. Larsche, is that it has to support thousands of German soldiers who have bolted across the border in order to escape service and to secure food.

Switzerland, long known as "the Porcupine of Europe," is mobilized and ready for action at any time. Within 24 hours an army of 500,000 trained men can be placed in the field.

London Typographical Union, No. 132, had a duty to perform yesterday, and the members turned out in great numbers from holiday enjoyment and fulfilled that duty right manfully.

James Drennan and John Parke, veteran members, acted as returning officers most satisfactorily.

Hairs Quickly Vanish After This Treatment

(Helps to Beautify.) Science has aided in simplifying the banishing of hairy growths from the face, and according to a beauty specialist, the most effective treatment yet devised for the purpose is as follows:

The hair is first shaved with a safety razor. The hair is then treated with a depilatory cream. The cream is applied to the hairy surface for 2 or 3 minutes. The paste is made by mixing some water with a little powdered depilatory. When this paste is removed and the skin washed every trace of hair has vanished. Be sure to get real depilatory—Advt.

Indigestion Resulted From Bad Case of Inactive Liver

Experience Proved That Dr. Chase's Kidney-Liver Pills Were Exactly What Was Needed.

If every sufferer from indigestion would study his case as did the writer of this letter the great majority would find sluggish action of the liver and bowels to be the cause of trouble.

It is then an easy step to finding a cure, for there is nothing like Dr. Chase's Kidney-Liver Pills to awaken the action of the liver, kidneys and bowels.

With these organs performing their natural functions the system is thoroughly cleansed of all poisonous waste matter and the process of digestion is no longer impeded.

Mrs. W. L. Jones, Hill Spring, Alta., writes: "I have often thought I would write and tell you how much I appreciate Dr. Chase's medicines, especially Dr. Chase's Kidney-Liver Pills. I suffered terribly from indigestion and did not know what was the cause. I got to using Dr. Chase's Kidney-Liver Pills and was so relieved that I began to study the malady. I found that the indigestion resulted from a bad case of inactive liver, and as soon as I got the liver working right, I didn't have any stomach trouble or indigestion, the nervous spells vanished and the 'blues' flew away. I am never sick now, but should the old trouble return I know how to cure it quickly."

There is a whole host of derangements which disappear when the liver gets set right. Biliousness, indigestion, headache, irritability, constipation are a few of the more common results of torpid liver action. By the use of Dr. Chase's Kidney-Liver Pills you can control all such disorders. One pill a dose, 25 cents a box, all dealers, or Edmondson, Bates & Co., Limited, Toronto.
