"About 25 years ago, I began to have trouble with my Stomach."

Three years ago, I consulted one of the best specialists in Montreal. He said I must go to the hospital, have an Ulcer cut out of my stomach and gall stones removed. I was then 74 years old. I said "NO."

Then, I began to take "Fruit-a-tives". I am so much better that my old friends often ask me what I have done to myself to look so well. I am gaining in weight and enjoying life very much." H. W. EDWARDS.

"Fruit-a-tives" is made from the juices of apples, oranges, figs and prunes, combined with tonics, and gives quick relief in stomach troubles.

This fruit medicine actually strengthens the stomach muscles and enables the stomach to give out sufficient gastric juice to digest the meals. "Fruit-a-tives" also correct Constipation and Bilioussness from which so many Dyspeptics suffer.
