Ward School Is Wanted

Delegation from Victoria West Press Matters Upon the Trustees.

Proceedings at Yesterday Evening's Meeting of the Board.

Outside of the hearing of the views of a delegation from Victoria West on the question of providing a new ward school for that section, little of import school for that section, little of importance transpired at yesterday evening's adjourned meeting of the board of school trustees. There were present, Trustee Hall, in the chair, and Trustees Belyea, Jay, Drury, Huggett, Brown and Mrs. Grant.

Phil. R. Smith, secretary of the Board of Federated Societies, extended an invitation to the members of the board to participate with the societies 'demonstration on the occasion of the Queens' funeral.

from on the occasion of the funeral.

On motion of Trustee Belyea, the invitation was accepted with thanks, Trustee Belyea expressing the hope that arrangements would be made for the school children to participate in the proceedings. A. B. McNeil forwarded a community cation pointing out the existence of an evil at the North Ward school—the prac-tice of children bringing memory

ewil at the North Ward school—the practice of children bringing money to school with which to purchase candy. They often purchased lunches from each other, and the practice was harmful. Referred to Superintendent Eaton.

A deputation from Victoria West was next heard on the question of school matters affecting the district. Mr. Boggs explained that a resolution was passed regretting that no appropriation had been made for a ward school for Victoria West. The present building was unsuitable in site and accommodation. An appropriation was now asked

tion. An appropriation was now asked for simply as a matter of justice. A separate by-law would hardly pass the electors, so they would like the amount included in the by-law for the High

school.

Mr. Redding also addressed the trustees to the same effect.

Trustee Belyea pointed out that there were only 288 pupils there, including outsiders. The necessity for a High school was greater than for one in Victoria West. An objection to providing a school for the latter point was that there was no site. The Indian reserve dispute might not be settled for some time yet.

Mr. Boggs thought the ratepayers were compelled to give a thorough ward schools system before providing high schools.

the question of site was settled. That not being settled, the proposition was not a business one. As far as the out-side scholars were concerned, he rather favored the idea of admitting them to the city schools

Trustee Hall did not think the main hy-law would be jeopardized by asking in it for the grant for a Victoria West

school.

Trustee Brown pointed out that on a previous occasion he had favored building a proper school at Victoria West. He was not afraid of any difficulty about a site and favored incorporating a vote for the school in the s site and favored incorporating a vote for the school in the High school by-law.

Trustee Belyea was opposed to building a school on the Indian reserve until the Indians were off it.

the Indians were off it.

Trustee Huggett thought the question of a site was the only obstacle in arranging the matter to the satisfaction of Victoria West.

Mr. Painter said the school at Victoria West was in a very unsanitary condition—se bad that "cows could not be pastured in the vicinity."

The delegation then withdrew.

The finance committee recommended the payments of accounts amounting to \$510. Adopted.

Superintendent Eaton directed attention to the matter of newspaper advertising.

Superintendent Eaton directed attention to the matter of newspaper advertising rates and it was referred to the finance committee.

The chairman submitted the names of the two standing committees for the year:—Finance, Drury, Grant and Huggett; Buildings and Grounds, Brown, Belyea and Jay.

Trustee Mrs. Grant thought that as there was only one lady on the board she should be on the latter committee. There was some discussion but no change was made.

Superintendent Eaton said there was no increase for four years in the resident school population in Victoria West.

Trustee Jay wanted to know if the question of site had been considered.

Mr. Boggs explained that a good site was at the junction of Esquimalt road with Craigflower road.

Trustee Drury favored the idea of acting upon the deputation's wishes, if the question of site was settled. That

Got Six Months.—In the Speedy Trials Court yesterday, before Mr. Justice Martin, Thomas Harding, a Slueijacket, was committed for trial on a charge of having attempted to shoot Special Constable Johnson while the latter was on duty, in the corridor of the Victoria theatre, was sentenced to six months in the provincial jail. Harding, it will be remembered, drew a revolver on the officer and pulled the trigger, but the ball, instead of striking Johnson, struck Harding himself. Theodore Sullivan, committed for forging the name of Richard Bray to a check, which he passed on Arthur Holmes, will come up for speedy trial on Friday.

Improved Service.—The announcement is momentarily expected that the C. P.
