

Smart Apparel for Horse Show Week

Second in interest to the horses themselves (and a very close second), will be the showing of SMART WEARING APPAREL. Horse shows everywhere have the reputation of being wonderful exhibitions of what the fashionable world is wearing. The show here will be no exception. In the last two weeks we have received some splendid garments of the very highest class, bought for supplying the dress needs of the show. Many have been sold, but we have a few still, some of which we mention here. Our display of modish garments is well worth seeing.

The Costumes at \$18.75

These costumes, bought under ordinary conditions, would sell at \$25.00 and \$30.00, so you see there is a considerable saving on them. Being new goods it is needless to say that the styles are the latest, but we will say that the styles are the kind that people are asking for and buying. Nothing more up-to-date than these suits, no matter what you pay. Nearly all are plain tailored effects, but all of them are smart and desirable garments. These are a few descriptions:

The Newest Millinery

The Horse Show will offer a great opportunity to study the new millinery styles, and very attractive millinery will be worn. Many of the large showy and stylish hats are peculiarly adapted for wearing on such occasions. We have some beautiful models to offer. The Directoire in all its glory, the Corday, extremely stylish yet modest and becoming, and the extremely large hat with high crown and wide brim, a hat that is hard to beat for style and appearance. A visit to our show-rooms is well worth the trouble nowadays.
