**GAS DISTENDED HIS STOMACH**  
Caused Palpitation, and Prevented Sleep—When Health Was Gone, Cure Followed Use of "Nerviline."

"My last wish will be," writes Harry P. Pollard, a well-known boot and shoe traveler of Hartford, "that everyone with a bad stomach may learn as I did, before it's too late, that Nerviline is the one remedy to cure. Why, I was in mighty bad shape, my digestion was all wrong, and even at night I would wake with a start, after my heart jumping like a thrashing machine. This was caused by gas on my stomach pressing against my heart. When I started to use Nerviline I got better right fast. It will cure the gas and keep your stomach in order, cure colic, prevent indigestion or flatulence, breaks up chest colds and sore throat—in fact three things. I have used it for three years, and I haven't cured with anything but Nerviline. I recommend it to all dealers of the Catarrhone Co., Kingston, Ont."
