BLE FACTS WORTH KNOWING

OUR MOTTO IS:

PROFITS SMALL RETURNS.

The True Principle Upon which to do Business.

If your prices are right there is no necessity for leaving in your show windows either a Merry-go-Round, a Poney and Cart, or a caged Lion. A proof of the above fact is, that our sales during the month of April are \$4,160.36 more than those of April, 1883, while other houses in the same line of business have had a hard struggle to hold their own. We therefore request the public to visit our stores and inspect our stock and the contents of our show Windows, and note the prices, and we are fully convinced that they will find them more interesting to their pockets than either Merry-go-Rounds, Pony Carts or Caged Lions.
