### TONIC TREATMENT FOR THE STOMACH

The Modern Method Most Successful in Treating Indigestion.

The old-fashioned methods of treating indigestion and stomach troubles are being discarded. The trouble with the old-fashioned methods was that when the treatment was stopped the trouble returned in an aggravated form. The modern method of curing indigestion and other stomach troubles is to tone up the stomach to do its normal work. Every step toward recovery is a step gained, not to be lost again. The recovery of the appetite, the disappearance of pain, the absence of gas—all are steps on the road to health that those who have tried the tonic treatment remember distinctly. Dr. Williams' Pink Pills are a tonic medicine, every constituent of which is helpful in building up the digestive organs, and is therefore the very best remedy for chronic cases of stomach trouble. The success of the treatment is proved by thousands of cases like the following. Mr. W. Swain, Grand Valley, Ont., says:—"For several years I suffered from indigestion, from which she got no relief whatever until she began the use of Dr. Williams' Pink Pills. She was treated at different times by three doctors, but their efforts did not avail. Then she was advised to try an electric belt, but it proved worthless. She suffered from indigestion, this time and food became distasteful. The trouble also affected her nerves and her general health was on the verge of a breakdown. One day a friend who was in asked her to try Dr. Williams' Pink Pills. Without very much hope that the Pills would prove successful when other remedies had failed, we nevertheless got her a supply. In a few weeks we could see a decided change, and got six more boxes, by the time these were used mother was almost well, and she kept on taking the Pills for a short time longer and was completely cured. She is now a healthy and strong woman and is never bothered with her stomach in any way. I hope this statement will bring relief to other sufferers."

### Sudden Death of Finlay McGibbon.

Many Sarnia citizens were shocked Friday morning when the news was given out that death had claimed Finlay McGibbon, of the well-known lumber dealing firm of F. McGibbon & Sons, and brother of Mayor John McGibbon. Mr. McGibbon had not enjoyed the best of health for some months past, but recently he seemed to improve somewhat, and within the past few days was able to be out for a short walk. This morning he was preparing to go for a walk when he suddenly complained of not feeling well, and in the next few minutes death had claimed him. Deceased was a well-known and popular Sarnia citizen and was respected by all who had the pleasure of his acquaintance. He is survived by his widowed mother Mrs. Finlay McGibbon, Queen street, and four brothers and three sisters, to whom the sympathy of a wide circle of friends is extended.

### Entrance to Normal Results.

The Department of Education on Saturday announced the results of the middle school examination for entrance into the Normal schools. The following statement was also issued:—"The certificates of the successful candidates and the statements of marks of those who failed will be mailed to the Principals or inspectors in the course of a few days. The appeal examiners have already read the papers of each candidate whose marks would in former years have justified an appeal. Where such a candidate has still failed his statement of marks will be stamped as reread, and no further appeal will be allowed. In all other cases of failure appeals will not be refused, if made by September 1st, and accompanied by the fee of \$2. In view of all the precautions taken, however, it is

### Don'ts for Bowlers.

Don't use bad language on the green. "Sun of a gun" and kindred expressions are quite permissible however. Don't argue with your opponent. If anything is in doubt, it is better to give him the benefit than to quarrel over it. Don't continue to stand on the mat or in the middle of the green after delivering your bowl, but step to one side so that your opponent may see the effect of the play. Don't crowd around the jack when the end is being played, but keep at least three yards back. Don't be a "pot-hunter." Thinking of the prizes is apt to spoil you for the social part of the game. Don't lay your cap or other object on the green while directing the play; it is against the rules. Don't get grouchy if you are being beaten, but take it with good grace; you will soon get used to it. Don't play the wrong bias; the penalty is \$10 for the first offence and life imprisonment for the second.

### GRANDMA

(AS IT USED TO BE WRITTEN.)

When grandma danced the minuets A hundred years ago— All the music echoes yet, All stately and all slow! White hands whose fingers gently meet The fingers of the beau, And powdered hair and slippered feet— A hundred years ago. With graceful bow they turn and tread The measures to and fro, A haughty pose has grandma's head, Her eyes a gentle glow! Those were the days none will forget, The days of belle and beau— When grandma danced the minuets A hundred years ago.

(AS IT WILL BE WRITTEN NEXT CENTURY.)

When grandma danced the turkey trot She chirruped "Let her go!" The critics said an awful lot, All interspersed with "Oh!" But grandma tossed her bouny head, Her cheeks with rouge aglow, And "Let's cut loose again," she said, A hundred years ago. Her picture was known far and wide, The papers made it so— But not because dear grandma tried To get in print, you know. "A minuets?" she cried. "Great Scott!" "That old stuff is too slow." So grandma danced the turkey trot A hundred years ago.
