WORMS! WORMS!! WORMS!!! KOLMSTOCK'S VERMIFUGE,

This remedy for Worms is one of the most extraordi-ary ever used. It effectually eradicates worms of all orts from children and adults. Thousands perish by worms without the real cause being known. Some other reason is assigned for their sickness, until too late to cure the true cause.

What immense responsibility than rests upon the parent who does not know, and the doctor who does not undertail the complete t understand the complaint, which is destroying those pre-cious flowers of life—children.

The answer is plain; give this Vermifuge, which will be sure to do good, if they have no worms, and if they have, it will destroy and eradicate with a certainty and have, it will destroy and eradicate with a certainty and precision truly astonishing.

It cannot harm the smallest infant or the strongest adult. There is no mercury or mineral in it. Mercury is the basis of most worm remedies; and the remedy is sometimes worse than the disease. So never use lozenges but rely upon this. Every person will be convinced on one trial that it is the most perfect cure ever invented We call on all good citizensto make known the effects of this wonderful remedy. of this wonderful remedy.
