ENGLISH EVENING IN LAWRENCETOWN

Second Meeting of a Series Held in the Demonstration Building A Great Success

The second meeting of the series of social evenings for the Library was held in the Demonstration Building, Lawrencetown, Wednesday evening, February 8th, 1922. Being an English evening, Charles Dickens—Life and Works was the subject. The attendance was good, despite the fact that King Frost was stalking through the town.

Program as follows:—
Instrumental Duets—The Misses Borden.
Sketch of the Life of Dickens—Miss Blackadder.
Vocal Duets—Mrs. Edgar Shaffner and Mrs. Sanford.
Travelogue—By V. Morse, Paradise.
Reading—High Tide on the Lincolnshire Coast (by Jean Bigelow)—Mrs. Rev. A. H. Whitman.
Solo Vocal—Relief of H. T. Jones.
Reading—Relief of Lucknow—Rev. A. H. Whitman.
We wish we could write at length all the good things each number merits—but brevity must be our law. So thus briefly, the music was excellent. When we read the names: Mrs. E. Shaffner, Mr. Sanford, Rev. H. T. Jones, we would not expect anything else. It is always a delight to hear these singers.

The Duets by the Misses Borden were well rendered and much enjoyed. This is the first time these young ladies have played before a Lawrencetown audience, but we trust it will not be the last.
For the literary part it would only be expected that we had something that was instructive, elevating, and inspiring as we read the portions of the program.

The sketch of the "Life of Dickens" by Miss Blackadder was a gem—full as it was of information, wit, and quotations, worthy in pamphlet form of a place in every library. The Travelogue by Dr. V. Morse taking us in imagination from Paris to Calais, thence to England visiting various places of interest such as Canterbury, Eton, London, Oxford, etc., and landing us safely in Lawrencetown gave us a great deal of enjoyment. Dr. Morse has the thanks of the Library Association for so bravely facing the elements to give us so much pleasure.

Now for our readers—Mr. and Mrs. A. H. Whitman, their selections were well in keeping with the subject, being purely English, were most admirably rendered and listened to with much appreciation. Mrs. Whitman's reading, a difficult one, showed her to be mistress of her art. A hearty vote of thanks was tendered to all those taking part in the program.

This report would not be complete without a word about our chairman, Dr. J. B. Hall, the worthy President of the Library. Surely Lawrencetown is to be congratulated on having one of her citizens such an enthusiast in the cause of education—for that is the main purpose of these evenings, and the uplifting of the ideals of the youth of our town.

His estimable wife, Mrs. J. B. Hall, is certainly an able supporter in all of the doctor's plans for the betterment of our town. We feel that his thoughts are better expressed in the following: Let us cherish our town 'tis with memories crowded. Delightful to trace midst the mist of the past. Like the features of Beauty, bewitchingly shrouded. They shine through the shadows, time over them has cast.

BAPTIST NOTES

Last Sunday was a successful day in the Bridgetown Baptist Church. All the services were well attended. The Sunday School had the largest attendance on record. Forty-seven were present in the men's class, and thirty-three in the ladies' class. A further report from the Every Member canvass showed that the objective was reached over \$5,000.00 being pledged for the work of the church for 1922. This is \$3,500.00 more than was pledged for 1921. About \$2,000.00 is available for repairs on the church building.

A most interesting meeting of the Ladies' Aid Society was held at the parsonage Tuesday afternoon, Feb. 7th. At this meeting, the study of

the Mission Book "The Kingdom and the Nations", was begun under the leadership of Mrs. William Chesley, assisted by other members of the Society. Plans were made for the annual Crusade Day, which will be observed at the March meeting. There will be an afternoon meeting, followed by tea in the vestry of the church.

Last Friday evening about fifty of the young people of the Paradise B. Y. P. U. visited the Bridgetown Society. The vestry, which had been decorated for the occasion, was filled with young people, who greatly enjoyed the social evening. The following program was carried out, under the leadership of Mr. Clyde Marshall, chairman of the Social committee:

Piano Duets—Mrs. W. A. Warren and Mrs. W. E. Read.
Words of Welcome—Mrs. C. J. Lockhart, President Bridgetown B. Y. P. U.
Response—Mrs. K. M. Brooks, President Paradise B. Y. P. U.
Reading—Mrs. F. M. Hopkins.
Selection—Paradise Male Quartette.
Vocal Duets—Misses Bishop and Darling.
Vocal Solo, with Violin accompaniment—Mrs. S. Purdy, and Mrs. W. A. Warren.
Reading—Miss Leone Banks.
Vocal Duets—Mrs. S. Purdy and Mrs. Chute.
Vocal Duets—Misses Harding.
Selection—Paradise Male Quartette.
Remarks—Rev. W. S. and Mrs. Smith and Rev. C. W. Robbins.

Refreshments and songs brought a delightful evening to a close. It is hoped that this, the second social gathering of these two societies may be followed by others in the future.
The programme for the concert to be given under the auspices of the Baptist Church at the Recreation Hall, at 7:30 next Tuesday evening, Feb. 21st, is being prepared. This will consist of readings, instrumental and vocal numbers, including selections from the Paradise Male Quartette. The admission will be the same as at the last concert: adults thirty-five cents, children twenty-five cents.

GRAND DIVISION IN SESSION

First Quarterly Session of the Grand Division of Nova Scotia, Held at Smith's Cove

The first quarterly session of the Grand Division of Nova Scotia convened with Home Division, 169, Smith's Cove, on Tuesday and Wednesday of last week. It proved one of the most interesting and inspiring sessions ever held in this part of the province. Upwards of fifty members of the order were present. Grand officers present were Grand Worthy Patriarch, Geo. A. McLeod; Grand Scribe, A. M. Hoare, and Grand Patron, Miss Ella McCrobie. Twelve new members (Past Worthy Patriarch) were initiated into the Grand Division during the session viz: Herbert H. Woodman, John H. Smith, Wendall Chute, Almon J. Cornwall, Arthur Cornwall, Wm. M. Cossaboom, Ralph Cossitt, Mrs. Sanderson, Mrs. W. B. Snow, Miss Frances J. Austin, Miss Bessie Woodman and Miss Blanche Woodman.

Encouraging reports were read showing the Order to be in a prosperous condition. A large increase in membership was reported. The business session was opened at 2:30. In the evening a largely attended public meeting was held in the Baptist Church, at which the members of the Order clothed in red and sat in a body before a review of A. McLeod, of Halifax, head of the Order in Nova Scotia. Both of these were very strong and helpful addresses in behalf of the Temperance cause. Other inspiring addresses were given by A. M. Hoare, of Halifax, Grand Scribe; Mrs. Sanderson, of Smith's Cove, formerly of Glace Bay, C.B., and a strong worker in the Order, and Miss Ella McCrobie, Grand Patron of Young People's Work. A large choir mostly composed of members of the Order, provided music for this meeting. At the close of this meeting the members of the Order returned to the hall where a further business and social session was held. The sessions closed on Wednesday morning in time for the Grand Officers, visiting delegates, to partake of a lunch provided by the entertaining division, before boarding the east-bound train.

BUY IN NOVA SCOTIA

(From The Halifax Herald)
Buy at home. Every dollar spent at home helps to keep the wheels of industry in your own city or town turning. Every dollar spent in your own city or town helps to give some other person employment. And it helps the man or woman who does the spending. People forget about the efficiency of the dollar bill. The big enterprises grow from small beginnings. Business success is never attainable unless the small details are carefully watched. Economy in small things spells success in great things. So it is with the spending of money.

by the people of a city or town. There are two ways of spending. One way is to spend it so it will bear fruit in your own community. The other way is to spend it so it will give employment in other places and do good to the people of another city or town.

In this city, for example, we have to keep up our schools, build our streets, provide our water supply, and fire protection, pay for light and power, maintain our churches and charitable institutions. These matters call for dollar bills. One dollar bill may not look very large. It may not seem to be of much importance. But if you have thirty or forty thousand men and women spending dollar bills every day the total soon grows into a big pile.

If the most of these people, or half of them, or quarter of them are spending their dollar bills outside of their own city, they are leaving it to the others to maintain the essential work of the city.

Let your dollar bills be working every day for the benefit of your own city or town. Every time you put one in circulation you stimulate your own community, help others to earn wages, and assist in building up your city or town. If you send your dollar bills out of the province, when you can buy at home, you add to the payrolls of some other community, help to give employment to people there, and set back your own city or town to some extent.

A NARROW ESCAPE

What might have been a serious accident, occurred at Barton, Thursday evening, when H. W. B. Warner, M.P.P., wife and little daughter, were the principals. Mr. Warner and family were returning to their home in Plympton, from Barton, where they had been to see the minstrel show when the horse became frightened at an approaching automobile which was coming in the opposite direction. One of the chains on the car was loose, causing a racket. It was thought that the horse became frightened by the noise. Mr. Warner tried to catch the horse by the head but it reared and turned completely around throwing Mrs. Warner and daughter to the ground. The horse cleared himself of the sleigh and galloped with great speed up the road. Mr. and Mrs. Warner were badly bruised. Dr. Dickie was called to ascertain if there were any bones broken, but only found severe bruises.

STATION AT LUNENBURG IS BURNED

Building Is Totally Destroyed By Fire Fanned By Wind.
Lunenburg, Feb. 7.—The Canadian National Railway station here was completely destroyed by fire of unknown origin which broke out late to-night. By the time the fire fighting apparatus had arrived on the scene the flames had gained such headway that there were no hopes that the station might be saved, and all efforts were concentrated on the surrounding buildings.

STATION AT LUNENBURG IS BURNED

Fanned by a strong wind, the flames at one time seriously threatened the nearby residence of A. J. Hebb, also the Cottage Hospital, and the Lunenburg Foundry, all of which are in a radius of 250 yards of the station. After a stiff battle of several hours duration the fire crews succeeded in bringing the blaze under control, but the building and contents are reported to be a total loss. An estimate of the damage or the amount of insurance could not be learned last evening.

department of the United Fruit Company, was taken off the committee on seagoing personnel. No action was taken, however, on the fruit company's resignation from the Association. With the exception of Mr. Newsome the entire executive committee was re-elected.

The President's report pointed out that new committees functioned during the year, members from the Pacific coast and other distant points were added, more funds were obtained through increase of membership payments and the total gross tonnage owned by member companies was 3,309,478, a gain of 343,400 over the preceding year. On the matter of general conditions in shipping Mr. Raymond reported briefly as follows:

"The past year, as we all know, has been a year of difficulty and worldwide depression, but we are convinced that if the Federal Government keeps its pledge of giving the ocean shipping industry proper aid comparable with that long extended to other industries there will from now on be a steady improvement in the status of the American shipping trade."

SQUATTERS "GAL" HOLDS FATE OF RICH IN HAND

How a simple little girl from a humble squatter's cabin was entrusted by Fate with the holding in her power of the life and happiness of the wealthy "hill-toppers" who mistreated her is a poignant thought in "Polly of the Storm Country," in which Mildred Harris Chaplin will be seen at the Primrose Theatre, commencing Monday.

"Abominable" was another strong word he used to describe this super-film.

RECEIVES CALL TO BANGOR

Rev. E. Spurr Has Received an Invitation to Preach at St. John's Anglican Church

Windsor, Feb. 11.—Rev. E. B. Spurr has arrived back from Bangor, Maine, where he has received an invitation to preach at St. John's Anglican church of that city, with a view to becoming the rector of that parish, the only Church of England congregation in the city.

Since Mr. Spurr's return he has received a telegram from St. John's Church offering him the rectorship at a salary of \$2,500 and all expenses of moving his family to Bangor. The offer also includes a rectory, taxes, heating, and lighting, and an automobile with the expense of upkeep included.

MR. SPURR'S RETURN

The telegram also informed Mr. Spurr that his election had been unanimous at the largest and most enthusiastic vestry meeting held in years. The visit of Mr. Spurr to the New England city was pleasant, and every courtesy was extended to him by wardens and members of this important church. St. John's church of England is a handsome stone structure, beautifully situated in handsome grounds.

MR. SPURR HAS NOT YET DECIDED TO ACCEPT INVITATION TO LEAVE CANADA, WHERE LOYALTY TO HIS NATIVE LAND INSPIRES HIM FOR FURTHER DUTY HERE, IF SO THE CHURCH'S CALL DECIDES.

Mr. Spurr is a native of Round Hill, Annapolis County, and a graduate of King's College, Windsor. His last parish was at Glace Bay, which he resigned over a year ago to take charge of the campaign for the rebuilding of King's.

SHE IS ALSO A GRADUATE OF KING'S COLLEGE IN ARTS. THEIR DEPARTURE FROM WINDSOR WILL BE UNIVERSALLY REGRETTED, WHETHER THEY DECIDE TO SERVE IN THE CITY OF BANGOR OR IN ANOTHER PART OF CANADA.

THEY ARE DEALING WITH MATTERS OF VITAL INTEREST TO RETURNED MEN AND WHICH WILL BE LAID BEFORE THE PARLIAMENTARY COMMITTEE OF THE FEDERAL HOUSE.

Mr. Skeay, who confessed he liked good movies, told of a visit he had made with his wife to see the play in question. The whole Bible story was distorted, he declared, and the only interpretation that people, especially those who had never read the story in the Bible, could take away with them, said Mr. Skeay, would be that God almost encouraged immorality.
