Manitoba.

Our brethren in the Presbytery of Manitoba are bravely going on with their work, educational and evangelistic. Rev. Mr. Fletcher returns, for a season at least, to Ontario, on account of ill health. His place is to be supplied by Rev. Alexander Matheson of Brockville Presbytery. Rev. Mr. Black has accepted the call to Kildonan.

Rev. Samuel Donaldson, from Ireland, has been received as a minister, and Rev. Neil McDougall employed as a probationer.

Mell McDougan employed as a prominer. The College, or Presbyterian Seminary, at Kildonan appears to be flourishing, having issued its Calendar of 15 pages, and added to its Professorial staff, Rev. Mr. Hart from the "Kirk" Synod of Canada. Here is Union in fact, and in advance of the diplomatists. Education is drawing, in the most internal as in the Maritime Provinces. As Library has been commenced, and already Bursaries are advertised to encourage and aid promising young men.

The Winnepeg Ladies' School has been organized, as a joint stock enterprise, by a number of gentlemen who felt that there was special need to provide for the higher education of young women, as well as of the other sex; and that it would be an additional inducement to those who thought of moving West, to know that their daughters could get a first-class education at moderate rates, without peril to their religious views and principles. We wish the Manitobans success in this movement, under Professor Bryce and Lady. It is strange that we have nothing of the kind in connection with our own body in the Lower Provinces. If one-fourth of what is paid by our people for female education was gathered into a focus, it would provide means of intellectual culture and refinement far in advance of anything to which they now have access.—We wish our friends in Prince Edward Island could and would go ahead with their projected Seminary.

The Canadian Baptists have recently

appointed a Missionary to Manitoba.

Work Appreciated.

The Bible Class of Rev. John Cameron, of Elmsdale, recently presented him with an address and a purse of one hundred dollars. The address was couched in words of cordial thanks for earnest and well-directed labour, and called forth hearty acknowledgements from the gratified Teacher.

Miss Fisher, of Halifax, Bible Woman, acknowledges receipt, for the objects of her mission, of 1 package of made up clothing, valued at eleven dollars, from the Ladies' Sewing Circle of Middle Stewiacke.

NOTICES AND ACKNOWLEDG, MENTS.

The Treasurer acknowledges receipt of the following sums during the past month:
