

I H C Cream Harvester Advantages

Close Skimming—Lifetime Service—Quality Cream

Easy Turning—Easy Cleaning—Complete Line

ALMOST any cream separator will skim fairly clean when new. It is the test of time that is the proof of a separator's value. It is the years of service that count. Be sure that the separator you buy is built to work satisfactorily for a lifetime.

If you investigate, you will find that I H C Cream Harvesters are the only separators with dust-proof and milk-proof gears, which are at the same time easily accessible. You will see that the name of an I H C Cream Harvester is entirely protected from wear by phosphor bronze bushings at all points; that the I H C has large shafts, bushings, and bearings; that it has a perfect oiling system; that the flexible top-bearing of I H C Cream Harvesters is the strongest and most effective found in any separator; it has only one spring. That's why I H C Cream Harvesters are always steady and run without vibration, no matter how unevenly the power is applied. And you will also

note that I H C Cream Harvesters are equipped with a patented dirt-arrester which removes the finest particles of dirt from the milk before the milk is separated. You will see that the crank is placed at the right height for easy turning, and the tank is at an easy height to fill.

There are many other advantages of I H C Cream Harvesters. See the I H C local dealer and let him point them out to you. Let him show you the different I H C styles and sizes so you can select just the machine to meet your requirements. The Bluebell is a gear drive machine—the Dairymaid is chain drive. Each style is made in four sizes, from 350 to 850 pounds capacity. Get catalogues and all facts from the I H C local dealer, or, write nearest branch house.

I H C Service Bureau

What is it? A clearing house of agricultural data.

What does it do? Helps farmers to help themselves.

How can it be used? By sending your farm problems and puzzling questions to the Bureau.

We are co-operating with the highest agricultural authorities and every source of information is made available to solve your difficulties.

We shall be pleased to have an opportunity to assist you. Write the I H C Service Bureau.
