IMPORTANT TO FLESHY PEOPLE.

ceding weight at a very small expense. It will pay our
readers to send two cent stamp for a copy to Amos Circula-
ting Library, 10 Hamilton Place, Boston, Mass.

A Missionary Book for Schools.

AMONG THE MONGOLS.

BY THE

REV. JAMES GILMOUR, M.A.

(London Mission, Peking.)

Cloth, Illustrated, Gilt Edges. . . . Price 90 cents.

This book should be in every school library. The writer is a man of fervent missionary
enthusiasm. A reviewer of the book in the *Spectator* wrote: "The newness and value of the
book consist solely in its Defoe quality, that when you have read it you know, and will never
forget, all Mr. Gilmour knows and tells of how Mongols live."

The book abounds in illustrations, the work of a Chinese artist, which gives to them a
interest.
