ANNOUNCEMENT.

Our works are now fully under way after the recent strike and we are again in position to fill orders for "FRICK" high-grade FOUNDRY and CRUSHED COKE promptly and regularly.

We recommend consumers of coke to ORDER DIRECT and thus ensure getting the genuine article.

Quotations, freight rates, pamphlets, etc., furnished on application.

Respectfully,

H. C. FRICK COKE CO.

This Space for Sale.

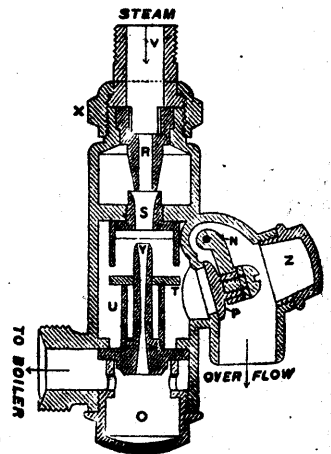

**FEED YOUR BOILER WITH A
PENBERTHY
IMPROVED AUTOMATIC INJECTOR.**

10,000 IN USE IN CANADA.

Cheaper than a Pump, takes up Less Room and
Feeds the Boiler with Water at
nearly Boiling Point.

SIMPLE, ECONOMICAL AND DURABLE.

And the Only Absolutely Automatic Injector in the Dominion.

PROMINENT FEATURES ARE: They start at about 25 lbs. steam pressure and work to 150 lbs. Lift water up to 20 feet, and work from a head as well. They require little watching, as, being automatic, they restart if feed to boiler is broken by air or sudden jarring. The parts are interchangeable and can be removed without uncoupling machine. Send for pamphlet to **PENBERTHY INJECTOR CO., Detroit, Mich.** Factory at Windsor, Ont. Handled largely also by Waterous Engine Works Co., Limited, Brantford; J. H. Taylor, Montreal; S. J. Shaw, Quebec; Park Bros., Chatham; McDonald & Co., Limited, Halifax, N.S.; A. R. Williams, Toronto.
