

Like Man and Wife

Some one has said that "Iron and Manganese are like man and wife in physiological chemistry."

Both **Iron and Manganese** are essential and constantly associated constituents of the blood.

Both are oxygen and hæmoglobin carriers.

When combined in an organic, neutral and immediately absorbable form as in

Pepto-Mangan ("Gude")

each aids the other in causing an increase in the number of red corpuscles and the amount of hæmoglobin which they contain.

PEPTO-MANGAN "GÜDE" is ready for quick absorption and rapid infusion into the circulating fluid and is consequently of marked and certain value in all forms of

Anæmia, Chlorosis, Bright's Disease, Rachitis, Neurasthenia, Etc.

To assure proper filling of prescriptions, order Pepto-Mangan "Gude" in original bottles containing ̄ xi. IT'S NEVER SOLD IN BULK.
