THE EXHIBITION.

THE wet weather has somewhat hindered the work in our tent, not from any defect in the tent or its appliance but the rain caused the visitors to the exhibition to keep inside the buildings. The meetings have been very good. Our Ice water fountain has been largely patronized, but we find in connection therewith the same difficulty met with on presenting the Gospel. While we have done all we could to make the fountain conspicuous—to make the way of access easy—to make all its surroundings attractive—and to extend a cordial invitation to all

to drink—still many stand at a distance, thirsty and longing for a drink, but thinking that such arrangements cannot surely be made and the water to be had for *nothing*. They think they must pay, and perhaps, some have but little money to spare. The idea of “free for the taking” seems to perplex them.

In our next number we will give particulars of the work which will by that time be a work *concluded*.

A WELCOME VISITOR.

MR. Gawin Kirkham, the well known English Open Air Preacher and Evangelist, will visit Toronto this week. We purpose holding a meeting of our workers on Tuesday evening next, as Mr. Kirkham has expressed a desire to meet with them during his stay. We need not urge our workers to attend, as they are always on hand when needed.
