

READ WHAT THE GLOBE SAYS OF KENT BROTHERS.

Judging by the number of men employed, one gets an idea of the extent of the business done by Kent Bros. That they have not made an exhibit this year, as they have done heretofore at the Exhibition, is on account of the fact that the business done on the premises has increased to such an extent as to require all the energies of the staff to handle it. They are, however, with their customary enterprise, holding a series of jewellery receptions every evening this week for the benefit of visitors to the Exhibition, and every one should take advantage of the opportunity, as they will see one of the most brilliant interiors to be seen in any store in Canada—*Toronto Daily Globe, Sept. 16th.*
