THE PERFUME OF THE WESTERN HEMISPHERE!

FRESH FROM LIVING FLOWERS.

MURRAY & LANMAN'S FLORIDA WATER.

THIS rare Perfume is prepared from tropical flowers of surpassing fragrance, without any admixture of coarse essential oils, which form the staple of many "Essences" and Extracts for the Toilet. Its aroma is almost inexhaustible, and as fresh and delicate as the breath of Living Flowers.

WHAT ARE ITS ANTECEDENTS? For twenty years it has maintained its ascendancy over all other perfumes, throughout the West Indies, Cuba and South America, and we earnestly recommend it to the inhabitants of this country as an article which for softness and delicacy of flavor has no equal.

HEADACHE AND FAINTNESS Are certain to be removed by freely bathing the temples with it. As an odor for the handkerchief, it is as delicious as the Otto of Roses. It lends freshness and transparency to the complexion, and removes RASHES, TAN and BLOTCHES from the skin.

COUNTERFEITS. Beware of imitations. Look for the name of MURRAY & LANMAN on the bottle, wrapper and ornamented label. Prepared only by LANMAN & KEMP, Wholesale Druggists, 69, 71 and 73 Water Street, N. Y.

HOSTETTER'S CELEBRATED STOMACH BITTERS.

READ AND REFLECT. Believing that FACTS, IMPORTANT TO THE HEALTH and COMFORT of the PUBLIC, and which can be VERIFIED at ANY MOMENT by addressing the parties who vouch for them, ought not to be hid under a bushel, the undersigned publish below a few communications of recent date to which they invite the attention of the people, and at the same time ESPECIALLY REQUEST all readers who may feel interested in the subject to ADDRESS the individuals themselves, and ascertain the correctness of the particulars.

HOSTETTER'S CELEBRATED STOMACH BITTERS.

Brooklyn, N.Y., May 22, 1863. Messrs. Hostetter & Smith: Gentlemen—I have used your Bitters during the last six weeks, and feel it due to you and to the public to express my hearty approval of their effect upon me. I never wrote "pull" for any one, and I abhor everything that savors of quackery. But your Bitters are entirely removed from the level of the mere nostrums of the day, being potent alike to all, and exactly what they profess to be. They are not advertised to cure everything, but they are recommended to assist nature in the alleviation and ultimate healing of many of the most common infirmities of the body, and this they will accomplish. I had been unwell for two months, as is usual with me during the spring. I was bilious, and suffering from indigestion and a general disease of the mucous membrane, and though compelled to keep at work in the discharge of my professional duties, was very weak, of a yellow complexion, no appetite, and much of the time confined to my bed. When I had been taking your Bitters a week my vigor returned; the sallow complexion was all gone—I relished my food, and now I enjoy the duties of the mental application which so recently were so very irksome and burdensome to me. When I used your Bitters, I felt a change every day. These are facts. All inference must be made by each individual for himself. Yours, respectfully, W. B. LEE, Pastor of Greene Avenue Presbyterian Church.

HOSTETTER'S CELEBRATED Stomach Bitters.

Prospect Cottage, Georgetown, D.C., April 2, 1863. Messrs. Hostetter & Smith: Gentlemen—It gives me pleasure to add my testimonial to those of others in favor of your excellent preparation. Several years of residence on the banks of a Southern river, and of close application to literary work, had so thoroughly exhausted my nervous system and undermined my health, that I had become a martyr to dyspepsia and nervous headache, recurring at short intervals, and defying all known remedies in the Materia Medica. I had come to the conclusion that nothing but a total change of residence and pursuits would restore my health, when a friend recommended Hostetter's Bitters. I procured a bottle as an experiment. It required but one bottle to convince me that I had found at last the right combination of remedies. The relief it afforded me has been complete. It is now some years since I first tried Hostetter's Bitters, and it is but just to say that I have found the preparation all that it claims to be. It is a Standard Family Cordial with us, and even as a stimulant we like it better than anything else; but we use it in all nervous, bilious and dyspeptic cases, from fever down to toothache. It what I have now said will lead any dyspeptic or nervous invalid to a sure remedy, I shall have done some good. I remain, gentlemen, respectfully yours, E. D. E. N. SOUTHWORTH.

HOSTETTER'S CELEBRATED STOMACH BITTERS.

New Convalescent Camp, Near Alexandria, Va., May 24, 1863. Messrs. Hostetter & Smith: Dear Sirs—Will you do me the favor to forward by express one half-dozen Hostetter's Stomach Bitters, with bill, for which I will remit you on receipt of same, as I am unable to procure your medicine here; and if I had a quantity it could be sold readily, as it is known to be the best preparation in use for diseases having their origin with a diseased stomach. I have used and sold hundreds of preparations, but your Bitters are superior to anything of the kind I am cognizant with. Indeed, no soldier should be without it, should he be ever so robust and healthy, for it is not only a restorative, but a preventative for almost all diseases a soldier is subject to. I have been afflicted with chronic indigestion and no medicine has afforded me the relief yours has; and I trust you will lose no time in sending the Bitters ordered.

Yours, very respectfully, SAMUEL BYERS, Hospit. Prepared by HOSTETTER & SMITH, Pitt burgh, Pa., U. S., and Sold by all Druggists everywhere. Agents for Montreal—Devins & Bolton, Lamplough & Campbell, K. Campbell & Co., J. Gardner, J. A. Harte, A. G. Davidson, Picault & Son, and H. B. Gray.

THE GREATEST MEDICAL DISCOVERY OF THE AGE.

MR. KENNEDY, of ROXBURY, has discovered in one of the common pasture weeds a Remedy that cures EVERY KIND OF HUMOR. From the worst Scrofula down to the common Pimple.

He has tried it in over eleven hundred cases, and never failed except in two cases (both thunder humor.) He has now in his possession over two hundred certificates of its value, all within twenty miles of Boston. Two bottles are warranted to cure a nursing sore mouth. One to three bottles will cure the worst kind of pimples on the face. Two to three bottles will clear the system of boils. Two bottles are warranted to cure the worst canker in the mouth and stomach. Three to five bottles are warranted to cure the worst case of erysipelas. One to two bottles are warranted to cure all humor in the eyes. Two bottles are warranted to cure running of the ears and blotches among the hair. Four to six bottles are warranted to cure corrupt and running ulcers. One bottle will cure scaly eruption of the skin. Two or three bottles are warranted to cure the worst case of ringworm. Two or three bottles are warranted to cure the most desperate case of rheumatism. Three or four bottles are warranted to cure salt rheum. Five to eight bottles will cure the worst case of scrofula. DIRECTIONS FOR USE.—Adult, one table spoonful per day. Children over eight years, a dessert spoonful; children from five to eight years, tea spoonful. As no direction can be applicable to all constitutions, take enough to operate on the bowels twice a day. Mr. Kennedy gives personal attendance in bad cases of Scrofula.

KENNEDY'S SALT RHEUM OINTMENT, TO BE USED IN CONNECTION WITH THE MEDICAL DISCOVERY.

For Inflammation and Humor of the Eyes, this gives immediate relief; you will apply it on a linen rag when going to bed. For Scald Head, you will cut the hair off the affected part, apply the Ointment freely, and you will see the improvement in a few days. For Salt Rheum, rub it well in as often as convenient. For Sores on an inflamed surface, you will rub it in to your hearts content; it will give you such real comfort that you cannot help wishing well to the inventor. For Scabs: these commence by a thin, acrid fluid oozing through the skin, soon hardening on the surface; in a short time are full of yellow matter; some are on an inflamed surface, some are not; will apply the Ointment freely, but you do not rub it in. For Sore Legs: this is a common disease, more so than is generally supposed; the skin turns purple, covered with scales, itches intolerably, sometimes forming running sores; by applying the Ointment, the itching and scales will disappear in a few days, but you must keep on with the Ointment until the skin gets its natural color. This Ointment agrees with every flesh, and gives immediate relief in every skin disease flesh is heir to. Price, 2s 6d per Box. Manufactured by DONALD KENNEDY, 120 Warren Street, Roxbury Mass. For Sale by every Druggist in the United States and British Provinces. Mr. Kennedy takes great pleasure in presenting the readers of the True Witness with the testimony of the Lady Superior of the St. Vincent Asylum, Boston:—

ST. VINCENT'S ASYLUM, Boston, May 26, 1864. Mr. Kennedy—Dear Sir—Permit me to return you my most sincere thanks for presenting to the Asylum your most valuable medicine. I have made use of it for scrofula, sore eyes, and for all the humors so prevalent among children, of that class so neglected before entering the Asylum; and I have the pleasure of informing you, it has been attended by the most happy effects. I certainly deem your discovery a great blessing to all persons afflicted by scrofula and other humors.

ST. ANN ALEXIS SHORE, Superior of St. Vincent's Asylum. ANOTHER. Dear Sir—We have much pleasure in informing you of the benefits received by the little orphan in our charge, from your valuable discovery. One in particular suffered for a length of time, with a very sore leg; we were afraid amputation would be necessary. We feel much pleasure in informing you that he is now perfectly well.

SISTERS OF ST. JOSEPH, Hamilton, O. W.

What to Drink and Where to Get It.—Some individual has lately been enlightening the ignorant with—what they ought to eat and how to cook it. We propose doing the same by—what to drink where to get it; and, when everyone is crying out about the weather being so awfully hot, we don't want anything that will give so much satisfaction as the celebrated St. Leon Water. If you have been indulging too freely at table, or (vulgarily speaking) drinking tight, a glass or two of the St. Leon will put you all right. If you have got a headache, or feel sick as the stomach, or any way out of sorts, one or two glasses will relieve you at once. In fact, no family ought to be without it; and it is particularly adapted for children, who drink it readily.
