They Help

Each other. Grocers and general storekeepers will find a profitable adjunct to their business in a line of our celebrated cigars. Once get a customer into the way of dropping in for a good cigar and you'll be surprised at the result. He comes in to buy only groceries and one of our fragrant LA CADENAS may catch his eye. He comes in for one of those satisfactory LA FLORAS to smoke on his way to the office and some new arrival in groceries tempts him into a purchase. See how it works? Profit both ways.

He may make a selection from other and less expensive brands such as

EL PADRE
MAORE E'HIJO
CABLE EXTRA
KICKER
MUNGO

All of which sell well.

Mercantile Summary.

THE town council of Prescott is discussing the matter of introducing a by-law to raise \$75,000 for the purpose of putting waterworks and sewerage systems in that town.

R. POTTER & Co., dealers in furniture, Toronto, whose creditors had a meeting, have arranged a compromise at 60 per cent. Of this, 12 per cent. is paid in cash and the balance is payable in six months.—Robert Gore, florist here, assigns to E. R. C. Clarkson. He owes less than \$1,000.—The mortgagees will sell the assets of the Toronto Pressed Brick and Terra Cotta Co. to-morrow.

THE second annual general meeting of the Montreal Herald Co. was held on Monday afternoon last. The annual reports, which spoke hopefully of the company's prospects, were unanimously adopted. The following were elected directors for the current year: Messrs. E. Holton, R. Mackay, J. K. Ward, Jonathan Hodgson, J. N. Greenshields, Sydney Fisher, Alexander MacLean, J. C. Roger and E. G. O'Connor.

MR. GILBERT MURDOCH, C.E., St. John, superintendent of the waterworks, died last week. Mr. Murdoch was born at Paisley, Scotland, 76 years ago, and came to this country when young. He first settled in Halifax, and was connected with the Gas Company there. When the present system of waterworks was established in St. John, in 1851, he was appointed its superintendent, a position which he has since held.
