CANADIAN SHORTHAND REVIEW

THE ONLY ENGLISH SHORTHAND
JOURNAL PUBLISHED IN CANADA.

**A High-class Monthly, devoted to the
Interests of Stenographers
of all Systems**

NO effort will be spared to make this work first-class in every way, and worthy the patronage of the profession. Portraits and facsimile reporting notes of leading Canadian writers will be a special feature. All systems of shorthand will be treated fairly, and favor shown to none. A number of interesting and instructive departments are in active preparation and will be announced at an early date.

SHORTHAND WRITERS

Should take it—1st, Because of its independent character. 2d, Because it will keep them posted in the progress and development of shorthand all over the world. 3d, Because it will be a journal for business shorthand men and women, not conducted in the interests of a school, nor as the advertising sheet of any particular make of writing machine; neither will it be a cheap, amateurish output, but printed in first-class style, on good paper, and typographically beautiful. Our printers have a continental reputation for first-class work, and we have their guarantee that our magazine will be second to none in this respect. This number is, owing to a number of causes, not what we expected it would be, and an attempt will be made in each succeeding issue to improve it in every way possible.

SHORTHAND STUDENTS

Of any system of stenography may derive benefit from reading the shorthand notes, articles, and published correspondence of shorthand writers, relative to their methods of doing work. It is essential, also, that students keep themselves posted on what is daily occurring in the world in which they expect to move.
