C. M. B. A.
Office of the Grand Council of the C. M. B. A. of Canada, London, Jan. 26th, 1893.
To J. S. McGarry, Esq., Supreme President, C. M. B. A., Franklin, Pa.
DEAR SIR AND BROTHER—At a joint meeting of the Trustees of the Grand Council of Canada and the Committee which made the arrangements with your Council at their Montreal Convention, it was unanimously decided to firmly and finally protest in their capacity as officials of this council, and more particularly as members of the association as a whole, against your action in issuing a charter for a Grand Council for the Province of Quebec; not only on the ground that it has caused friction and discontent where otherwise none would have existed, but because such action is subversive of the leading principles upon which this association is founded; contrary to the constitution; a repudiation of the authority of the Supreme Council; and a branch of the compact between that body and this council.

The effect of establishing a Grand Council in Quebec under existing circumstances and at the request of not more than one-fourth of the branches in Quebec is to admit:
1. The right of the minority to rule the law, public policy and reason.
2. The right to establish two Grand Councils in the Territory or Province, which is contrary to the constitution.
3. The right of the Supreme President to abrogate, at will, the charter of any Grand Council, without cause, and without the consent of the holders of the charter.
4. That no subordinate body can have any assurance that its agreements with the Supreme body will be carried out.
5. That the Supreme President has the right to over-ride the expressed views of the Supreme Council in Convention assembled, and the advice of the Supreme Solicitor.

6. That subordinate councils will be established where and when you deem it proper, even though it be in direct opposition to the expressed wish of the religious authorities, whose views such matters have, heretofore, always received that respectful consideration to which they are entitled.
The establishment of the Grand Council of Quebec cannot be justified, and can only be looked upon as a deliberate effort to completely sever all connection between the Grand Council of Canada and the Supreme Council; and if such a regrettable result is to be reached we desire to place the responsibility for it where it properly belongs.
We ask you, now that you must be aware of the illegal manner in which the Quebec Grand Council was organized, to recall and cancel the charter issued to that body, so that the agreement between the two Councils may be honestly carried out and the fraternal relations existing between them perpetuated.

This protest and the statements contained therein are approved by Rev. P. Bardon, Rev. M. J. Tiernan, P. J. O'Keefe, Lasselle Gravelle, T. P. Tansey, Board of Trustees; and Brothers Judge Landry, Judge Rioux, M. F. Hackett, R. J. Dowdall, F. R. Latchford, T. P. Coffee, D. J. O'Connor, O. K. Frazer and S. R. Brown, being all the representatives to last Supreme Council Convention and all the members of the committee present at said convention when agreement was made.
O. K. FRASER, Grand President.
S. R. BROWN, Grand Secretary.
