

LISZT PIANOS

There is room in
Canada for a really good Piano
to sell at a popular price—more so
as the country grows in wealth and population.

A company was recently organized for the manufacture of Liszt Pianos, backed by ample capital and the best possible facilities. There has been encouragement enough already to ensure success. The factory is working now to its full capacity. Don't order a piano without seeing first what we have to offer. We believe in co-operation and can make it worth your while to buy a "Liszt."
