Leaders' Desire for Disarmament

1987

1988

1989

QUESTION WORDING

Q21A) Some people believe that the Soviet leaders do not genuinely want disarmament. Other people believe that they do genuinely want disarmament. Which of these views is closest to your own?

Q21B) Some people believe that American leaders do not genuinely want disarmament. Other people believe that they do genuinely want disarmament. Which of these views is closest to your own?
