Training Programs/Films/Books

Company/Product

The Sault College of Applied Arts and Technology is a post secondary educational institution located in Sault Ste Marie, Ontario. The School of Sciences and Natural Resources' geographical location is ideal for interfacing with natural and industrial settings. The Algoma district is home to many natural resource agencies such as The Great Lakes Forestry Centre, St. Mary's Paper Inc., Ontario Forest Research Institute, and municipal and provincial fish hatcheries, as well as several parks and forest reserves.

The college has provided courses for a number of years in air pollution control, water and wastewater, solid and hazardous waste, monitoring, recycling, pulp and paper, and site reclamation. Courses range from introductory to professional development, and on-site training of staff or management in environmental management techniques is available.

Current Geographic Marketing Activities

The college has been involved in the development of operation and training manuals for private pulp and paper mills in Ontario and Quebec. Environmental training and education projects have been undertaken as far away as Zambia.

Contact Sought

The college would like to develop contacts with any private or public sector persons who require training or education in any of the environmental fields.
