

17b. Dominion Bureau of Statistics

SOURCE: - Publication Distribution,
Dominion Bureau of Statistics,
Ottawa, Ontario.

MEDIA:

Publications: The publications of the Dominion Bureau of Statistics are too numerous to be mentioned singly or even in groups. The subjects of its reports cover all phases of national economy; it is the chief source of information on the current state of the country from a statistical point of view.

17c. Exhibition Commission

SOURCE: - The Government Exhibition Commissioner,
Government Exhibition Commission,
Ottawa, Ontario.

MEDIA:

Graphics: The Exhibition Commission, under the Government Exhibition Commissioner, plans all exhibits destined for abroad. Art and construction work is executed by the Department of Trade and Commerce and by such co-operating agencies as the Canadian Information Service, the National Film Board and the National Gallery of Canada. The Commission is responsible for Canadian pavilions at International Fairs and exhibitions held in Canada and elsewhere. Displays are worked out in co-operation with Canadian exporters and importers.

18. TRANSPORT. -

SOURCE: - The Publicity Director,
Department of Transport,
Ottawa, Ontario.

MEDIA:

Publications: Publications are of interest mainly to transportation and wireless operators, administrative officials, technical societies, journals and libraries, colleges and schools. They deal with such subjects as the St. Lawrence Waterway Project, the history of steam and electric railways of Canada, the Transport Act and other relevant legislation.

The Department's Canal, Marine and Air-Services publish their own specialized pamphlets. A list of these is available from the Department.

19. VETERANS' AFFAIRS. -

SOURCE: - The Director of Public Relations,
Department of Veterans' Affairs,
Ottawa, Ontario.

MEDIA:

Publications: Periodicals: Veterans' Affairs (bi-monthly, English), a news bulletin distributed mainly to vet-
