

Establishment of Follow-on Machinery

16. They agreed to establish a coordinating group headed by senior officials to direct and to coordinate the development of the actions referred to above. The coordinating group shall decide how best to organize its work. It should:

--Monitor and give focus to the tasks that might be addressed in existing organizations;

--Establish such ad hoc working groups as may be necessary to undertake tasks for which there are presently no suitable bodies;

--direct preparations of a conference of consumer and producer countries which will be held at the earliest possible opportunity and which, if necessary, will be preceded by a further meeting of consumer countries.*

17. They agreed that the preparations for such meetings should involve consultations with developing countries and other consumer and producer countries.*
