Thousands of Ethiopians are starving to death, and according to some observers, million are endangered by the food crisis. On the entire African continent, 150 million exple in 24 countries are facing severe food shortages. In appointing Mr. MacDonald, the overnment is responding to this human tragedy and seeking to involve as many Canadians as possible in the process.

Reporting to the Secretary of State for External Affairs, the Co-ordinator will work firectly with the Minister for External Relations and the President of CIDA. He will have access to all levels of government.

The Canadian Emergency Co-ordinator/African Famine will: assess the food crisis in frica and particularly in Ethiopia; propose concrete steps for the government to take in Toviding assistance; work with non-governmental organizations (NGOs) in mobilizing and hanneling Canadian support to feed the hungry; and, liaise with provincial governments and accourage their support and assistance.
