

or express service where all inclusive services such as customs immigration, luggage, tickets, could be made available or as an alternative that processing be made en route to airports from these various points.

Your Committee would also like to see cooperation from various airlines that a form be supplied to passengers on airline flights asking them to indicate the type of transportation they are to require upon landing, from the airport to their place of destination, in order to accelerate ground transportation and so eliminate possibilities of further bottlenecks.

(G) Your Committee recommends that the rapid transit transportation research be pursued by all levels of Government in cooperation with the Department of Transport;

(H) That taxi companies, upon application and approval by the Department of Transport, be authorized to install direct telephone lines in the terminal building, at a fee to be determined by the Department of Transport.

A copy of the Minutes of Proceedings and Evidence (*Issues Nos. 4, 5, 6, 8, 9, 10, 21, 22, 23, 24 and 25*) is tabled.
