On the orders of the day:

Mr. Raymond Rock (Jacques Cartier-Lasalle): Mr. Speaker, I should like to direct a question to the Minister of Transport. Following the news item published in the *Montreal Star* yesterday headed "No provision made for airport exit off new boulevard", has the minister's department any plans to provide an exit from the Montreal international airport to the trans-Canada highway?

Mr. Speaker: Order. I think the hon. member will recognize that this question belongs on the order paper, because we have a number of major airports with regard to which the same problem may exist.

Hon. J. A. MacLean (Minister of Fisheries): Mr. Speaker, I have nothing to add further to the answers I have already given to similar questions.

Mr. Howard: I have a supplementary question. Can the minister explain what the result is when he adds nothing to nothing?

VOCATIONAL TRAINING**QUEBEC—ASSISTANCE IN CONSTRUCTION OF SCHOOLS**

On the orders of the day:

Mr. Maurice Rinfret (St. James): Mr. Speaker, I should like to direct a question to the Minister of Labour concerning federal assistance to the construction of technical schools.
