

*Mr. Chevrier\**—On Monday next—ADDRESS—(No. 5)—For a copy of the application, together with all plans, specifications and supporting data, of the government of the Province of Quebec and/or L'Hydro-Quebec, to develop power at Carillon on the Ottawa River, together with all correspondence passing between the government of Quebec, L'Hydro-Quebec and the government of Canada or any Minister or official of a department of the Federal Government concerning such development.

*Mr. Martin (Essex East)\**—On Monday next—ADDRESS—(No. 6)—For a copy of all correspondence exchanged between the Government of Canada and the Government of the United States, regarding the diversion of Great Lakes waters, since July 1, 1959.

*Mr. Fisher\**—On Monday next—ORDER OF THE HOUSE—(No. 7)—For a copy of all correspondence, papers, investigation reports, and other documents, in connection with threats or reports of threats against officials relating to the operation of the Jacques Cartier bridge.

*Mr. Winkler*—On Monday next—The following proposed Resolution:— That, in the opinion of this House, the government should consider the advisability of standardising the dates of beginning and terminating daylight saving time in the six time zones of this country.

*Mr. Carter*—On Monday next—The following proposed Resolution:— That, in the opinion of this House, the government should give urgent consideration to the provision of some means whereby low interest loans may be made available to small business.

*Mr. Macnaughton*—On Monday next—The following proposed Resolution:— That, in the opinion of this House, the government should consider the advisability of cooperating with the provincial authorities and such professional and other groups as may be interested, in making a national survey of the extent of mental illness, its causes, problems and methods of treatment.

*Mr. Racine*—On Monday next—The following proposed Resolution:— That, in the opinion of this House, the government should consider the advisability of discussing with the appropriate United States authorities the question of unemployment insurance benefits to Canadian woodsmen working in the State of Maine.

*Mr. Argue*—On Monday next—The following proposed Resolution:— That, in the opinion of this House, the government should consider the advisability of referring to an appropriate committee of this House for such study and recommendation as the committee may deem advisable the following question:

1. The extent to which the ownership of mass media, newspapers, both daily and weekly, radio and television stations, is becoming concentrated, both nationally and in specific areas, in the hands of fewer corporations.
