

MCGILL SOCIETY OF TORONTO

TORONTO, ONT.

April 29, 1925.

Gen. Sir Arthur Currie,  
Principal McGill University,  
Montreal, Quebec.

Dear Sir Arthur:

The annual meeting of the McGill Society of Toronto is scheduled to take place during the month of May, and it is planned to have this take the form of a dinner at the King Edward Hotel, Toronto. It is the earnest desire of the members of the executive that you should be with us for this meeting, and that the McGill graduates in Toronto and vicinity should have the opportunity of listening to a message delivered by yourself on behalf of the University at that time.

I have therefore been asked by the executive to write to you, requesting that if possible you arrange to honor us on this occasion. The date for the meeting has not been set, but it is desired to have it on a Friday evening during May, preferably the 15th or the 29th. It is felt that the 22nd would not be suitable on account of the holiday immediately following. However, the date will be set to accord with your plans, and can be arranged for practically any time after the middle of May.

The membership of the Toronto Society will indeed be most pleased to have you present, and I trust that you will be able to arrange accordingly. In order that we may have the maximum time for arrangements here, I shall be very glad if you will advise me at the earliest possible opportunity. Should it be impossible for you to come up yourself, would you be kind enough to delegate some other member of the faculty to represent the University at this function, and also advise me of a date suitable to him.

Trusting that we may have the pleasure of having you with us, I am

Yours very sincerely,

  
Secretary.
