

October 23, 1924.

Asher Pierce, Esq.,
724 Upper Belmont Street,
Montreal.

Dear Mr. Pierce:-

I learn with pleasure that you have been kind enough to present a scholarship of one hundred dollars per annum, to be awarded to students in the Department of Semitic Languages.

I am very pleased to find that men of business appreciate the desirability of maintaining and assisting the study of Semitic languages, and especially of the Hebrew tongue and culture,

Nothing but good can come of your co-operation in this work.

Yours faithfully,

Principal.
