My Dear Principal,

May I thank you

warmly, for the kind terms in
which you wrote about my
application, to Justice Greenhields?

I need not say I entirely understand
the situation I only feel that it

is very kind of you to explain so
sympathetically. I suspect that

my travelling days are over, or
I shd. by I promise myself

the honour & pleasure of
thanking you in person.

I am, dear Sir Arthur,

Yr. truly yours

F. W. Bussell.

What I shall always be proud to
keep such a letter from such a
man?
