## Note and Comment

When the mail list arrives to Secretary Crow today, a total of seventy or more trained athletes will be found ready for the sound of the gong Thursday night, the opening of the Canadian boxing championship in Mutual-street rink. The soldiers and a sailor from Halifax will lend additional interest to the bouts, that will also have an international flavor, for Milwaukee sends Dave Thompson, a candidate in the 125-lb. class, and Boston may also report by letter to-day, the Bean Town boxer are not counted upon to make up the three-score and ten.

As usual, the British Union lead with a list of twenty-four men, followed by England, with eleven, West End, East End, Maitland Lacrosse, Woodbine Beach, and the Parkdale A. C. are some of the local clubs representing Montreal, Ottawa, Brantford, Galt and the New York C.C.A., besides Halifax and Milwaukee, are the outside players represented.

Of course, it was only Richmond, but when the Leafs became united they returned answers to some of the knocks they had heard about from the home town. Also, read what the dispatch from the front says about Tim Jordan's leg.

Some statisticians across the Atlantic has been delving in golf figures. He estimates that there are 40,000 women players in the United Kingdom, and that they spend \$1,500,000 each year on the game. He will be a bold man who takes the next step and tells the men the same.

An offer of \$15,000, said to be the largest ever made for a baseball player, was yesterday made by President McKinley of the White Sox to President Johnson, Washington's hold-up pitcher. The ninth annual international cross-country contest, which was held in France, Ireland, Scotland and Wales took place recently, and finished the very best of the whole series, and by far the most remarkable. It was the first time in the history of the event that any but an Englishman won the individual honors, and the team of the land won the team prize. J. Boulton of France was the hero of the race this time, and when he crossed the finish line about 100 yards ahead of his nearest opponent, he got a great ovation from the crowd of 400 persons present. The race took place on the Caerleon racecourse at the Caerleon, a course measuring 10 miles, which the Frenchman covered in 54 minutes and 30 seconds. It was the third time that the international, in 1909 he gave A. E. Wood a good lesson, and was only beaten a few yards. Last year the race was held in Ireland, and the course was a little too heavy for him, and he gave up after going about half way. The going was nearly as heavy this time, but nevertheless Boulton stuck to his work, and was in the van from first to last.

After the teams gathered on the ground the Frenchmen made no secret that they were out for both individual and team honors, but they reckoned badly for the day. They were beaten by the Irish, and the English team went to the scratch, six men in each team to count, and the English team ran so well that they finished the race in on the first eight. This gave England the team victory by a big margin. Ireland was second, Scotland third, France fourth and Wales brought up the rear. It was thought that Sgt. O'Neill of the Connacht Rangers, who is the present 10-mile English champion, would do something smart, but the critics were mistaken. He was not in the van in the van with Boulton for a long while, but he weakened toward the end, and the best he could do was to finish the race, but he earned the distinction of being the first Irishman to finish.

## Three Soldiers and A Sailor Arrive for The Boxing Bouts

Three soldiers from the R.C.R. Hall, and a sailor from the R.C.R. Hall, arrived yesterday for the Canadian boxing championships. They are a likely looking lot, and Jimmie McGowan, who has them in 125, expects great things from them. Able-Sailor Richard A. Crane is doing the city in his sailor uniform. He is the first man from the Canadian navy to visit Toronto. He is competing in the 125-lb. class.

Battles closed last night with a total of 65, and these may be added to by the mail list to-day. All the divisions are well filled, notably the 125-lb. class, the middle-weight and the heavy-weight. The heavy-weight class ought to furnish the best sport of all the classes, as the winner is most likely to be sent to the Festival of the Empire, held in London in connection with the coronation ceremonies. The committee in charge of the festival have asked Canada to send a heavy-weight champion to represent the Empire, and the union here will in all probability select the winner of this tournament.

The full list of entries will be given in to-morrow's paper. Ernie Sutton is here with the Halifax contingent, and declares he will land at least two championships. Secretary McEwan had not entered last night.
