## HIT IT OUT IN NINTH AND SAVED HERCHE

Leafs Beat Bronchos by Batfing Rally That Scored Three Runs.

Rochester, N.Y., Aug. 16 .- A see-saw game, in which a little bitterness among the players cropped up, was won by the Leafs in a ninth-inning rally, and it held Herche's record against the Bronchos

Off the reel the Leafs jumped a run, Dolan grounded out to short. Wagner Raym walked and stole. Callahan whiffed. Lear O'Neill, c. ........ Wilkinson, p. ..... punched a safe one to right, and Wagner rode home. Purtell ended the bout Hagen, p. with a liner to Smith, The Bronchos evened up in the second. Menze walked, and Kost sacrificed, pitcher to first., Menze went to third on Raymond's out, second to first. O'Neill had the hit, second to first. O'Neill had the hit, placing it in left, and Menze galloped in. Wilkinson fanned. Another was added in the third by the Bronchos when Brady walked and remped to third on Estes' single to right. On the throw-over, Estes skidded to second. Smith took three strikes, but Reese pumped a long sacrifice to left, edging in Brady. Menze whiffed. It looked as if the Bronchos had the game in the fifth, Estes grounded out to short. Smith walked, Reeved dumped a short fly to left, and Smith had to race back to first, Mokan's throw hit Reeyes in the foot, and Smith wheeled around and got back again to second. Menze pasted one past Herche's head, and Smith galloped in. On the throw home Menze went to second. Kost duplicated Menze's hit and Menze scored. Callahan threw toward Howley, but Herche snared the ball and tossed wild to first. Kost bounded to third. Raymond's out, second to first, stopped the fun.

Then the Leafs began their uphill fight,

mond's out, second to first, stopped the fun.

Then the Leafs began their uphill fight. In the seventh, Howley singled and Herche walked. Dolan smacked a double to left, Dan tallying. Herche pulled up at third, but scored on Wagner's sacrifice fly to right. Dolan made third on it. Callahan clipped a bounder to Smith, who cut off Dolan at the plate. Lear lined to Smith. Brady was put out for kicking. Hungling replaced him.

In their half the Bronchos added one more, Smith filed to left, Reeves hit to centre and Menze singled to right. A wild pitch advanced both. Kost fouled to Dolan, Raymond singled to right, scoring Reeves, but Anderson's fine throw home cut off Menze at the plate and ended a bad inning for Herche.

Toronto evened that handicap in the eighth, Purtell lifted to right, Mokan tripled to right and came in on Anderson's hit past short. Howley forced Anderson, third to second, and Herche fouled. Rochester made a bluff in the eighth, but fell down on it.

The Something to Suit

Niagars Camp, Aug. 16.—The feature of the week's sport in the camp was the Army Medical Corps' victory in the football league over the crack 1st Battalion. 2nd C.O.R. team, after one of the most strenuous and bitterly-fought games of the season. The A.M.C. are now five points in the lead, and, barring accidents, should take first honors.

In the Officers' Indood-Outdoor League the 1st Battalion, 1st C.O.R., and 1st Battalion, 2nd C.O.R., teams are still tie, and the final game will be played next Wednesday evening, and a good game is certain. Both teams are practicing hard and are confident of winning. The Canadian/Railway Troops continue on their merry way undefeated in the Outdoor Baseball League, but the A.M. C. took a fall out of the 1st Battalion, 2nd C.O.R., during the week, defeating them 6 to 1 in a good scrappy game. The A.M.C. are after the C.R.T. and expect the leagues. The A.M.C. are after the C.R.T. and expect to even the league when they meet the leaders. The 2nd Battalion, 2nd C.O.R., showed one of the biggest reversals of form during the week, when they defeated the Polish Army team, allowing them only three hits, and they look a hard team to beat.

A new schedule of indoor-outdoor baseball is under way, with the 1st Battalion 2nd C.O.R., A.M.C., Machine Gun Corps, 1st Battalion 1st C.O.R., Dental Corps and the Army Service Corps represented, These teams are all very evenly balanced, and it will be a
