FAVORITES' DAY AT WOODBINE INFERNO FIRST IN HANDICAP

Bar Closed and Seagram Wins Two Races—Steeplechase for Picktime, the Second Choice.

Favorites fared well on dry Wednesday at Woodbine Park, five finishing in front, and only the first choice jumper being worse than second. The no whiskey was for sale in the big bar, Seagram stayed prominent, Inferno romping home in the handicap, and Merry England landing a lot of money in the opening event. McDaniel was of course the best jockey of the day, on these two Waterloo winners. Oscar T. again showed class in the 2-year-old race, tho Boll Weevil made him do his best. Picaroon's was a wire win in the third, just nosing out Thistle Do. Picktime was first in the steeplechase at every jump, showing the books to have made Gullistan a false favorite. Miss Gaiety in the sixth was the longest shot of the day to score, beating the favorite, Court Martial, in a drive. Scarfell's easy win in the last race made the 2 to 1 against him look long.

The weather was again clear and the track fast. The sport was first-class, four of the races furnishing driving finishes, and time approaching track records. Tho the drinking place was closed, probably less than 50 per cent. knew of the fact. The members' bar was open, as usual, and the club house door was thrown open. The crowd was orderly, as usual, but not more so.

M. J. Daly was a visitor at the track, tho his horses are staying in Hamilton. Mike looked cheerful, spending his time in the paddock.

Patsy Gallagher was also here, having come to ride Gullistan. He was in a railroad wreck on Tuesday, and was somewhat shaken up. Pat will have a mount in the Woodbine Steeplechase to-morrow.

Merry England Sprints.

The first race of the day, a sprint of 5½ furlongs, brought out, among several others, the three horses that finished first, second and third, respectively, in the first race Monday. Preen, Merry England and Charlie Eastman. The same three finished in the money again yesterday, but this time the Seagram sprinter put it on Preen, Charlie Eastman also beating the Presgrave gelding for second money. La Gloria, played by some of the bettors across the board at 25, 8 and 4, led for half a mile with Preen, Charlie Eastman and Merry England close up. When straightened into the stretch, the latter moved into the lead and won by a neck in a drive from Charlie Eastman, who was a comfortable second, a length ahead of Preen. La Gloria stopped badly in the stretch. Merry England was the favorite, as the public were not satisfied that Monday's race showed the horse's true form, and those that retained their faith in him were rewarded. Properly ridden, as he was in yesterday's race, Preen cannot beat him.

Oscar T. and Picaroon.

Only five 2-year-olds faced the starter in the second race. Oscar T., the Lissak gelding, in the Pangritz stable, was favorite on account of his easy win Monday, and he again brought home the money, winning by a neck from Boll Weevil. The Italian named filly Frescati, from a slow beginning, made up a lot of ground and landed in third place at the finish.

Picaroon, the Ornament gelding, in A. W. Maybee's string, was favorite in the third, with a strong play on Thistle Do. In the race, which was of one mile and an eighth, Thistle Do led until well into the stretch, where Kunz came up with Picaroon, and challenged the leader. The race up the stretch was the closest and most exciting seen so far at this meeting, Picaroon just winning by a nose from Thistle Do. Cursus was slow beginning, but closed fast in the stretch run and was easily third.

Picktime All the Way.

The fourth race on the card was the two-mile steeplechase, with nine starters, and a remarkable thing is they all went the course, except Incantation, and it did not make much difference whether she went thru or not. Robert Davies' Gullistan was the original favorite, Picktime was fancied by many and Toots had a good following. Gullistan raced with Picktime for about two-thirds the course, when he hung out distress signals. Scarfell and Toots made play for Picktime, who was out in front, but they could not get to the Poole horse, who won handily by several lengths. In a driving finish, Toots beat Scarfell for second money. The race was a beautiful one in every respect, the contestants being close together for the greater part of the journey, and all jumping cleanly.

Inferno Galloped.

The feature race was the fifth, at one mile, with five original entries. John Dyment withdrew Temeraire and the Seagram Stable scratched Main Chance, leaving it a three-horse race between Col. Jack, Sir Edward and Inferno. Of course, Inferno was the favorite, but, in spite of his good form at present, which is well known, many were of the opinion that Col. Jack would take his measure. No one will think that way to-day, for in the race there was nothing on it but the good Waterloo horse, who allowed the Colonel and Sir Edward to lead until the stretch turn, when he went around them like a cooper around a barrel and won by half a dozen lengths, eased up the last eighth, in 1.39 1-5, within one-fifth of the track record for the distance, now held by his stable companion, Sir Ralph—1.39. Had it been necessary, Inferno could have clipped many fractions off the present record. On returning to the judges' stand, horse and jockey (Mc. McDaniel received a round of applause, for Inferno is the idol of Toronto racegoers.

Miss Gaiety and Scarfel.

The unlucky thirteen were in the sixth race, with the Dyment horse, Court Martial, favorite, but second was the best he could do. Miss Gaiety won in a driving finish. Fire Fang was a good third, with half a dozen others all bunched close up, but just outside the money.

Altho Scarfell looked much the best in the last race, at 5½ furlongs, there was a strong play on the Madigan filly, Irene A. The latter got off in front and sailed along in the lead to the turn into the stretch, when she was passed by Scarfell, the ultimate winner, Zelina and Reside, who finished in the order named. Reside closed very fast in the stretch and would have been second had there been another jump to go.

TORONTO WINS SERIES FROM ORIOLES ANOTHER SLAUGHTER AT THE PARK

Score Was 9-3—Burchell and Burrell Fined $10, the Former Ejected From Grounds—Jersey City, Newark and Montreal Win—Toren Sold to Baltimore.

Thoney's home run, star catches of Wotell and Woods, two double plays by Kelley's Pets, and twelve hits for a total of nine runs, along with two $10 fines imposed by Umpire Owens on Burchell and Burrell, was crowded into a space of a little over two hours yesterday afternoon at Diamond Park, when Toronto again did the slaughter act to Jack Dunn's Orioles. The score was Toronto 9, Baltimore 3.

After the sixth innings the game became a farce, the crowd present being mad when the ordeal was over. The Orioles on their form shown here have no license to be up with the leaders and their next appearance at Diamond Park should find them in the last tier. Their infield is weak, while the men in the garden are not reliable.

Getting back to the game, the visitors tallied two in the third on O'Hara's single and stolen base, Hall's charity, the runners being advanced a peg on Dunn's death at first, Demmitt bringing in the counters with a corking drive over short. Kelley's Maple Leafs again showed they could come from behind, notching two in their half of the third on Thoney's single and steal, Flood's two-sacker to centre, and Kelley's safety. Toronto forged ahead in the fifth on Wood's safety, McGinley's sacrifice and Thoney's liner to the fence for a complete circuit, bringing in Wood. Flood sprung the barrier to O'Hara, while Kelley put a long shot over third, Phyle duplicating to right, advancing Kelley to the last egath. With two scratched, Wotell was the favorite, but he was left at the post.

It was in the sixth that Burchell's selections went wrong, every player having a chance. Wiedensaul started the race by singling, Frick letting him make the running by a neat sacrifice, Wood bringing him in by a smashing drive to centre, Wood coming in from the half on McGinley's single over the first jump. Dunn carried too much weight, dropping the sphere on an attempt to force McGinley out on the running at the half way mark on Thoney's fly. Both runners were put over another jump by Flood's sacrifice, he being safe at first on Hunter's bad break. Kelley was picked up by Hunter on a high one that fell near the water jump. Phyle was passed up, forcing McGinley to fall at the plate, while Wotell beat out the talent to the first turn, Thoney and Flood crossing the wire in a dead heat. Bets were declared off when Wiedensaul fouled to O'Hara.

Odds at 9—2 were quoted in the eighth race, but the Orioles managed to put only one over, when Hunter got away good. Flood falling down when Hearne bumped him, and Burrell's measly counterfeit over the first eighth, giving Hunter a clear field. Score:
