NINETEENTH YEAR TEN PAGES-TUESDAY MORNING DECEMBER 6 1898-TEN PAGES MARCHAND AGAIN AT FASHODA. low It is Said That There is

Proposal to Have a Buffer State in the Soudan. London, Dec. 5.-It is only when a terri al dispute offers for consideration such concrete fact as the late occupation of Fashoda that the public at large is induced to pay serious attention thereto. Thus it is only in well-informed and keenly-interested ircles here that attention is paid to the NO "IMPERIALISM" IN IT.

IN IT.

IN IT.

In the that Capt. Marchand has once more reached Fashoda, and that as soon as he departs therefrom on his long and tedious homeward journey, the negotiations between England and France on their respective titles in the Bahr-el-Ghazal district

will be resumed. The discussion of those other important uestions referred to in Lord Salisbury's last speech probably will not admit of so speedy or satisfactory solution as the Fash-cda difference. In the opinion of those here Foreign and Domestic Matters who are competent to speak with authority, every endeavor has been made by the British Government to avoid direct discussion inary Interest in the Opening of of the matters in dispute, and to seize such Congress-Cuba for the Cubans- means as are available to effect a compro Alien Labor Law Needs Some mise, which shall save French pride and Amendments — High Commission gain for England the points which Her Majesty's Government deems essential.

Progressing Satisfactor 'y-Lord "Buffer" Between France and Eng-I am told that this Government, therefore means to press the formation of a so-called "buffer State" between the French and the to-day under circumstances of unusual public interest. The same Congress six months British Soudan. This will be effected, if it ago declared war against Spain, and now, is effected, by persuading France to permit with the war fought and won, it came to the carrying into effect of the Angle-Congogether again for legislative questions to less convention of May, 1894, which exists unabated in force, so far as Great Britain be considered, brought on by the eventful and the Congo Free State are concerned, months just passed. The spirit of the octhough it was vetoed at the time of its necasion was not, however, one of immediate gotiation by France.

expectancy, for the few months left to the According to this plan, the Behr-el-Ghazexistence of the 55th Congress gave pro- al territory would be leased to the Congo mise of little more than a beginning of the Free State, and the intruding French gar momentous policies and problems growing risons could be honorably withdrawn.

Is Russia Gathering Gold ? As usual all Washington turned its atten-tion to the Capitol for that gala event I saw this evening, mentioned, in the which marks the opening day of a session, course of conversation, the notable interest The weather imposed no barriers, for the excited among financiers by the withdrawal hurricane of yesterday gave way to clearing skies and balmy air. Long before the ment lies in the fact that the bulk of this gan their work, the corridors were filled once arises, Why should Russia risk diswith surging crowds, centering in the ro- turbing the London money market at such tunda of Statuary Hall, and pushing along a time? What need is there of taking over the wards of the private galleries. No evidences remained of the explosion and fire of time? Russia, as is well known for years has been accumulating gold on an enormous scale. By some it is suggested Exactly at noon Speaker Reed's gavel came down with a sharp crack, the great that this is due to the Czar's forcign policy—that preparation is being made for eventualities either in Southeastern Europe or ebony mace, entwined with silver, and in the far East. The friction between surrounded by a silver eagle, was lifted Germany and Austria, with which the Coninto place upon its green marble pedestal, tinental press is all agog, gives point to the spreading folds of the American flag these anxious surmises.

BURGLAR CAUGHT REDHANDED.

Is This the Man Who Has Been Robbing Stores Near St. Lawrence Market?

Storekeepers down about St. Lawrence Market will give a sigh of relief when red-handed in the act of robbing a store in the vicinity. It is claimed that the arrest will go a fong way towards explaining whe the thieves are that have been operating there recently. On Thanksgiving Day Messrs. Thomas Meredith & Company m'esed about \$20 worth of revolvers and penknives from their store at 154 King-street east. The thieves got in by a rear entrance and left with their booty undis-

Next door to Meredith's store, where the obbery took place on the holiday, is C. J. K'dd's eigar and liquor store. While Nightwatchman Pollock was patrolling his beat last night about half-past 10, he no ticed a man acting in a suspicious manner in front of Kidd's store, and at the same time beckon to some one inside. Pollock investigated and caught a man just as he was leaving the store. The priconer put up a hot fight, but Pollock held on; and finally handed him over to Police Constable Childs. The other man made his escape, and it is thought the man who remained outside got away with a quantity of booty. dozen bottles of whiskey. The prisoner gave his name as George Holland of 92 George-street. Entrance had been effected by forcing the front door with a butchen's cleaver, which was found inside.
