Cooke Zelley was killed and two of her companions, Mrs. George Decker, and Howard S. Hoyt, were badly injured, when the Pittsfield express

struck the carriage containing them, as it was crossing the tracks of the New Broodway's Latest "Monte Carlo" York, New Haven and Hartford Railroad at Bethel, last night. A fourth occupant of the carriage, Mrs. E. B. Rosevar, daughter of Mrs. Zelley, jumped as the engine struck the carriage and escaped injury. All the members of the party are from this city and are well known. Mrs. Zelley was about 60 years old, wife of a former postmaster of Danbury, and a member of a prominent family. Mr. Hoyt is a wealthy retired businessman. He is trict is amazed at the lavish expendi-

# Danbury, Conn., June 29. - Mrs. A. LITTLE BREAKFAST **COST ONLY \$1,500**

Discovered—He Spends \$500 a Day.

New York, June 30. - The latest "Broadway Monte Carlo" has been

Everybody in the White Light Disexpected to recover, as well as Mrs. tures of Oliver Barnes, the 22-year-old The "Last West," a Magnificent Barnes, builder of the famous Horseshoe Curve on the Pennsylvania Rail-

road. Their one hope is that he will keep it up. Mr. Barnes, it is estimated by those who have kept careful account of his public spendings, has been getting rid of "The Peace River Trail," the Edof about \$500 a day in his "inalienable monton Journal has issued a pamphlet addition he has periodically disposed of tens of thousands of dollars in various ventures, the latest of which Western Canada. Closer inspection was the purchase, in connection with Wilson Mizner, ex-husband of Mrs. Yerkes, of the Hotel Rand, at Forty-

ninth street and Broadway.

Doesn't Expect To "Go Broke." given no indication of any immediate country that has been called "The diminution in the amount of his daily expenditures. When questioned deli- tion. cately as to the probability of that soon happening, he said, with a laugh: "Well, I don't think I shall go broke

That statement was corroborated by There is no Peace River Valley. From those who are in closest touch with where the river breaks through the him. By them his experiences were continental divide, making an unlikened to those of the famous young plumbed canon, to Fort Vermilion, a Mr. Brewster, of dramatic fame, inas- distance of 550 miles, its bed is a much as the major portion, if not all, troughlike depression of ever-increasthe "investments" he has been in- ing depth below the level of the surduced to make by the rooks of upper rounding country, three miles in width Broadway who at first took him for a on an average. Occasionally this denew pigeon to be plucked, have, for pression is farther from rim to rim, some occult reason, turned out highly but only in one or two places is the

deavored to visit Europe. In each case "I engaged passage," he said, "but

and had to forfeit the passage money On the second occasion I engaged the

Mr. Barnes said he bought the Hotel Rand because he was dissatisfied with the way hotels are run in New York. "I think some of the rules and regulations are fussy and silly," he declared. "In addition the hotels are not up to date. Finding that Mr. Mizner held similar sentiments, I joined him in the purchase of a hotel which we intend to make the finest in New York. But that's only a side bet."

# THE STORY OF THE PEACE RIVER LAND

Stock and Agricultural Country.

Winnipeg, June 30 .- Under the title that is, at first glance, a tribute to the printing and engraving facilities of reveals more valuable qualities, for in a very interesting and readable way the story of the great Peace River country is set forth. The idea of the pamphlet is to remove eastern and Up to midnight last night he had European misconceptions of the great Last West," and to encourage immigra-

No Peace River Valley.

About the first misunderstanding that the booklet corrects is found in the expression "Peace River Valley." term "valley" descriptive. At Peace Mr. Barnes explained that last night River Landing, it is said, there has by saying: "The fact is, I don't be- not been a crop failure in twenty-four lieve I am such a fool as I appear. years, which is as far back as farming has been carried on in the dismoney today than I had when I first trict. The Anglicans and the Roman started out. I can draw my check for more than my father ever had at one and grow, besides grain crops, all sorts time in his life. I don't say this in of vegetables. Pansies, asters. sweet peas and even carnations were bloomto let you know there is little fear of when the writer was there a year

A Fine Stock Country. Peace River Landing is said to ha "I know," he continued, "there is a general opinion that I am 'easy.' I an ideal country for stock, most of the don't mind that. On the contrary, I native grasses curing to the ground. encourage it. I find that I have profited by it. Persons laboring under that in the winter, neither do they put belief have approached me with up hay for them, and on either side various projects. By listening attended the river from the Landing to tively I have induced them to show Fort St. John there are herds of wild their hands, and I have generally been herses that have roamed for years. able to pick out those schemes that These animals are the descendants of "While I may be spending my money by the Hudson Bay Company, their freely I can assure you I am not doing numbers since swollen by lost and so for purposes of display. A Farming Country. Speaking of Fort St. John the bookof them are four-fluthers. They never let finds it necessary to remove anspend because they enjoy the pleasure other erroneous idea, namely, that of buying. All they want is to be the country from the landing is not around you couldn't pry open their swamps. Most of the traffic northward since the Klondike days has been by "To show that I am not quite so ig- water, and the trail has not been norant of the value of a dollar as some much used; but nevertheless the counof my friends seem to believe, I may try is level and offers few obstacles tell you I have made money since I to travel by wagon. The writer's was sixteen years old. At that age I party made the 20 miles in seven had saved \$40 out of my allowance and house on the way, and that belong-I took it to a bucketshop. My first ing to an Indian. At Fort St. John venture was a success, and I have the white population consisted of a been moderately successful in that line priest and three or four traders. On-Aug. 6 the traveler dined off fine "I have also known what it is to be potatoes. Here the Indians are to be without money. I once had to sell all found in considerable numbers, hunting moose and bear, and curing the meat for winter use In the winter they are after fur instead of flesh V. L. HEWER-VOICE PRODUCTION AND Francisco to New York on the and the booklet says he is a poor hunter who cannot catch \$500 worth of there was nothing to look at, so I beand even \$1,500 is often realized by bought the train out of wine three suggests that white settlers a few month's trapping, and the writer profitably copy the Indians. better can a young man of energy, anxious to carve a home for himself, ask than this? Three hundred doled. I did not dare stay over, because lars will outfit him for a winter's night or lose about \$12,000. I board- land as lies outdoors, invest the proed the train with my tickets and about ceeds of his winter's work in stock \$5 in cash. Half of the latter I gave and machinery, and by the time the to the porter for making up my bed, country becomes settled he should

posed of a dozen families of settlers and half a thousand Indians de Castellane for similar amusement and breeds. Here what oats, barley, instance, Mr. Barnes in a cafe in cessfully for 30 years, and last year Forty-fourth street, just off Broadway. the wheat yield of Vermilion was 30,gave to a few footlight favorites a 000 bushels from 1,000 acres. The Hudson Bay Company has a fine flour mill fully paid \$1,500. Last week he was here, and also a sawmill, so that Verthe delighted host at a little vaudeville milion seems destined to be one of the show in the back room of another northern cities of the future. Wheat has matured here in 86 days, and tomaties have ripened on the vines. Despite the high latitude, the country enthough the Chinooks do not reach it. than seven miles back from the river, but there is no reason why it should not be as successful, as the nature of the country is the same for practically seventy miles. As yet, the Vermilion country is on the frontier, but in a few years it will be well inside this advancing line

A RECOGNIZED REGULATOR.—To bring the digestive organs into symmetrical working is the aim of physicians when they find a patient suffering from stomachic irregularities, and for this purpose on the second occasion I engaged the wedding suite on a certain line and had intended to be married and hurry to the other side. Two hours before that set for the matrimonial ceremony third time I intended to go, but they perform their duties properly.
