**WYCHWOOD.**  
Concert for Charitable Purposes Was Great Success.

**WYCHWOOD, Jan. 24.**—Mechanics are busy excavating and building a Sunday school room under the Presbyterian Church. The charity entertainment held in Hillcrest Schoolhouse last night, under the auspices of Yarmouth Lodge, S.O.B., No. 107, and the different churches, was an unqualified success. Although the weather was such that people in general did not like to leave their cosy homes, yet every available seat was occupied. Reeve G. S. Henry occupied the chair. All the talent engaged for the evening was voluntarily given. Those who took part in the musical program were the Wychwood Brass Band, the Metropolitan Orchestra, Mr. Coleston, mandolin; Miss Ward, violin; Mr. Harmon, piano; H. G. Stone, musical comedian. The vocalists were Mr. Cliff, Mr. Whitworth, Harry G. Bennett, Mrs. Robertson, Master Earl

**PICKERING.**  
Beet Root Sugar is Surely Growing in Favor.

**PICKERING, Jan. 24.**—Mrs. John Platts has recovered from her recent indisposition. W. V. Richardson is better. His accident by being upset from a rig proved to be a hard one. The A.O.U.W. held a most successful banquet here this week. This lodge is quite strong and its active members here next week. Rejoicing will be all the more agreeable because of the fact that their purpose for organization was not emphasized last year. The Farmers' Institute are billed to hold a meeting here at an early date. The local farmers here would find it much to the interest of all by turning out liberally. It is surprising how much beet sugar the local growers have sold to their neighbors. Nearly everyone has disposed of his share. The annual meeting of St. Andrew's Church was held this week. The reports showed the finances to be in healthy

shape. It was decided to make the missionary offerings monthly in special envelopes. A proposal to have the financial statement printed in the same report with Brougham was favorably received. Pastor William Moore is taking active interest in all the departments of church life. It has been proposed that a branch of the Women's Institute be formed at this place. Pickering Village has not heretofore been forward in institute work and it is felt that the good things that are being received by other places should be possible here, where social life is sufficiently active for such.

**TODMORDEN.**  
Presiding Judge Decides Against a Counter Claim.

**TODMORDEN, Jan. 24.**—Six weeks ago a horse belonging to William McKay, Samson-avenue, was impounded by one Barron, and damages assessed against him for injury to late cabbages and fodder corn. McKay replenished and secured his horse from the pound. He claimed damages and costs in the estate prices. J. B. Schmidt, Empire Flour Mills, Newtonbrook, Feed Wheat for Sale. The Empire Flour Mills of Newtonbrook offer a fine line of feed wheat for sale to farmers and others at moderate prices. J. B. Schmidt, Empire Flour Mills, Newtonbrook.

## THOS. F. WALLACE DIES SUDDENLY IN WOODBRIDGE

Funeral of Mr. Ham is Largely Attended—Items of Interest From York County.

**WOODBRIDGE, Jan. 24.**—(Special.)—In the death of Thomas Frazier Wallace, Woodbridge mourns for its most prominent and respected citizen. The announcement came as a shock, not only to the community but to all West York. Mr. Wallace was ill for the past five weeks, and his attending physician, Dr. Charlton of Weston, after consultation with Dr. W. P. Caven of Toronto, decided that an operation would be necessary. This was performed yesterday by Dr. Bruce, with Drs. Caven, Charlton and Johnson assisting. It was then found that Mr. Wallace was suffering from cancer of the bowels in an advanced stage, and that nothing could be done for his relief. Death occurred this afternoon. Deceased was in his 65th year, having been born in Woodbridge Jan. 28, 1843. He was a life-long resident and always prominent in local affairs, and was reeve from 1884 to 1891, and was also

chairman of the school board. To his efforts more than thirty other men is due the prosperity to which the Woodbridge annual fair attained, he having been actively identified with its management and secretary of the society for the past twenty years. Last week he was re-elected secretary-treasurer of the Woodbridge Agricultural Society. On the death of his brother, Hon. N. Charles Wallace, he was tendered the nomination in West York, which he unsuccessfully contested in the by-election of 1902. He also then withdrew from the general election to assume the management of the mills owned by his brother, the store continuing under the control of his nephews, Capt. T. G. and Leonard Wallace. Deceased is survived by a widow and two daughters, the Misses Bessie and Mary Wallace, and five grand children. The funeral will take place on Monday afternoon at Christ Church Cemetery, of which church Mr. Wallace was a ward.

## TORONTO JUNCTION.

**TORONTO JUNCTION, Jan. 24.**—The funeral of Charles T. Moore, of East Avenue-street, who died on Wednesday morning, took place this afternoon to Prospect Cemetery. There was a large attendance. The procession was held under the auspices of Loyal Orange Lodge No. 900, of which deceased was an active and worthy member. The lodge members met at St. James' Hall at 1.30 p.m., and marched to the house in a body and afterwards to the cemetery. The pall-bearers were Mr. Thompson, Chief of Police G. C. Flintoff, Thomas Moore, a Fred Sheppard, Mr. McGill and W. J. Irwin. Rev. Dr. Pidgeon of Victoria Presbyterian Church officiated. The floral tributes, which were numerous and beautiful, included a handsome wreath from Loyal Orange Lodge No. 900, and a triangle from the Black Proseutry, of which deceased was also a member.

**Will Hold Benefit Concert.**  
A grand benefit concert under the auspices of Loyal True Blue Lodge No. 31 will be held in St. James' Hall on Monday evening, Jan. 27. Pro Harry Lovelock, district grand master, will preside. A good musical program has been prepared, and Miss Lilian Gordon of Toronto will be the accompanist. Addresses will be given by Controller Hocken of Toronto, Dr. Forbes Godfrey, M.L.A.; Mayor Baird and the grand officers of the lodge. Who Will Be M. H. O.? There is considerable speculation in many circles as to who will succeed to the office of M.H.O. Dr. Hopkins, who has held the office for the past two years, recommended to the old board of health that an appointment be made a permanent one, which of course would mean his reappointment. Dr. Hopkins believes that the

M.H.O. would become much more efficient year after year by benefiting from previous experience. Last year's board of health adopted a report, but it now remains to be found out if the new board will concur with the board's decision to retain the old system, now in existence about twelve years, of appointing the M.H.O. every two years, the appointment would likely go to either Drs. Gilmour or Kayler, both of whom are applicants for the position. About members of Canton Toronto No. 7, P.M., I.O.O.F., paid a fraternal visit to Lakeview Lodge at their regular meeting to-night.

The official returns of the Junction vital statistics for the last six months of 1907 are: Births 172, marriages 70, deaths 104. For the corresponding six months of last year the returns were: Births 157, marriages 63, deaths 82. "The three Joes" held a "hard times" dance in St. James' Hall to-night. The costumes were in accordance with the title of the dance, and a pleasant time was spent by all. The curling rink at Ravina Park up to the present has not been in good condition owing to the ice being soft most of the time. The present cold snap has, however, improved the condition of the ice, and as the rink had been divided to-day into several courses by divisions of banked snow, it is expected that some good sport will be had to-morrow afternoon.

**Kinsman Case Adjourned.**  
The double charge of disorderly conduct and assault against Daniel Kinsman, Vancouver of the Suburban Railway Co., has been adjourned for a week, as defendant is at present confined to his home thru illness. A special meeting of the school board will be held to-morrow evening. The inaugural meeting of the board of health takes place on Monday evening. The new board of works will hold their first meeting on Monday evening. It is expected that the report of Superintendent McMullin of the waterworks will be the chief topic of discussion. During the past year many citizens have complained about the excessive water rates charged for private use, and this feeling, as it is believed to be occasioned by the comparatively low rates charged the manufacturers, who are credited with wasting a considerable amount of water, especially during the summer season.

**Look for Better Things.**  
Superintendent McMullin has done much during the past year to bring the waterworks up to a high standard, and hopes are entertained for still better things for the coming year. Mayor Baird states that representatives of the Artesian Water Co. of Whitchurch have arranged to meet the town officials in February to discuss the proposed water supply from that source, which, if arranged satisfactorily, would greatly improve the quality and increase the pressure of the town water supply. Gunn's Limited, have a number of cisterns and vats for sale at their packing house, Albany-avenue. Annette Street Block, centrally situated, over Hill Park and Annette St. Largest risk in town, size 300x250 ft. Made by Highlander Bank. Select patronage. Special to-night. Leap year skating party.

**WESTON.**  
The members of the Weston Women's Institute are requested to meet in the town hall on Saturday evening at 7.30 to discuss the February meeting.

**ETOBICOKE.**  
The estate of the late Mrs. Mary Peacock of Etoibcoke totals \$500 and includes 50 acres in concession with 2000. Her son Matthew receives a legacy of \$500, her daughters, Mary E. Canning and Frances J. Stonehouse, \$100 each, and her son Joseph receives \$200. Five grand children receive \$20 each. Her son James receives an acre of land, and her son Joseph the remaining 40 acres.

**Steer Lost From York.**  
Strayed from G.T.R. Depot at York Station, one steer or heifer, belonging to a shipment of cattle. Five dollars reward for information leading to recovery. Apply Station Agent, York. Anybody having or retaining said animal after this notice will be prosecuted.
