B. C. GOVERNMENT SUSTAINED

In a Vote on the Alien Miners' Act —Joe Martin in His Element —McLagan With Him.

Victoria, Jan. 23.—An eight-hour debate took place in the British Columbia House on the Alien Miners' Act, Mr. Joseph Martin opposing its usefulness. The Government was sustained by three votes.

McLagan Backs Joe Martin.

"Fighting" Joe Martin is in his element in British Columbia just now. A meeting of the faithful called by Mr. Maxwell, Liberal M.P. for Vancouver, was turned into a fiery debate on a question of privilege advanced by Mr. Martin, and Mr. Maxwell's political speech on the abolition of the Senate and Hansard became a side issue of little consequence. Before Mr. Maxwell could speak, Mr. Martin asked of the meeting why he had not been invited to the Liberal caucus to be held in Victoria; the other Liberal members of the Local Legislature received invitations, and he did not. He declined, as a Liberal, to be treated in such a manner. His Winnipeg experience had nothing to do with the case. Mr. J. C. McLagan, editor of The World (Liberal), backed Mr. Martin, saying that but for Mr. Martin and the Manitoba school question the Liberals would not be in power to-day. Mr. McLagan said if the Liberal leaders of the Province did not behave themselves other leaders must be chosen. The names of Messrs. McLagan and Martin were added to the Victoria delegates by the meeting.

Cucumbers and melons are "forbidden fruit" to many persons so constituted that the least indulgence is followed by attacks of cholera, dysentery, griping, etc. Those persons are not aware that they can indulge to their heart's content if they have on hand a bottle of Dr. J. D. Kellog's Dysentery Cordial, a medicine that will give immediate relief and is a sure cure for the worst cases. ed

As You Like It.

"Just the thing, old chap; where was it done?"

"Why, the same place for the last twelve years, the Standard. They are always abreast of the times. You should see their new building, the most handsome laundry in the city, and equipment to match. 'Phone 2411." 36

FAILED TO ELECT A WARDEN

York County Councillors Spent All Yesterday Afternoon in Voting, Without Result.

CHESTER SEEMS TO HAVE THE CALL.

John Rowntree's Leg Broken in Two Places While He Was Moving a Building.

The members of the York County Council met in the Court House yesterday and spent the whole afternoon voting for a warden, with no result. The first vote taken stood: Chester 9, Baker 3, Reesor 3 and Norman 3. Councillors Baker and Norman resigned from the contest, leaving Councillors Reesor and Chester in the field. The vote then stood: Chester 9, Reesor 9. Three other votes were taken, with the same result, and County Clerk Ramsden declared that there was no election.

Chester Has the Call.

Two votes will be taken this morning, and, if the tie continues, Mr. W. H. Hall, County Councillor for Markham Division, willbe called upon to give the casting vote, he being the senior member of the division with the largest assessment on the last equalized assessment of the county. As the voting was open and Mr. Hall voted upon each occasion for Mr. James Chester, in all likelihood that gentleman will be warden for the coming year.

Woodbridge.

Woodbridge, Jan. 23.—Mr. John Rowntree, who resides near Ballantine Mills, met with a serious accident this morning in moving a building. The anchor broke and struck him on the leg, which it fractured in two places below the knee. He will be laid up for several weeks.

The nineteenth annual convention of the Vaughan Sunday School Association will be held in the Presbyterian Church to-morrow and Thursday. Miss Edith Readman, Toronto; T. L. Moffat, Weston; Rev. J. W. Stewart, Maple, and Alfred Day are among the speakers.

Weston.

Weston, Jan. 23.—Weston Lodge, A. O. U. W., No. 240, held their annual installation of officers last night, which was followed by refreshments and a short programme. The screen work of the order was given, and District Deputy T. M. Whinson and other Grand Lodge officers conducted the installation. Officers installed were: J Gardhouse, PM; A E Mercer, M W; Mr Milliken, foreman; Mr Scott, overseer; Rev W Reid, secretary; R H Leighton, financial secretary; W Bibely, recorder; J Beasley, guide; R Burling, I W, and A Snider, O W. Mr. Leilis, proprietor of the Eagle House, is slowly recovering from his recent illness.

Richmond Hill.

St. Mary's R.C. Church was well filled early yesterday morning to witness a pretty wedding between Miss Margaret McWilliams, daughter of Mr. James McWilliams of Vaughan and Mr. Fred Lynett, son of Mr. D. Lynett of the 2nd of Markham. The ceremony was performed by Rev. Father McMahon. Miss Annie Cosgrove was bridesmaid and Mr. Edward Lynett groomsman. The wedding breakfast was partaken of at the residence of the bride's father, and after a short honeymoon the wedded parties will settle down on a farm on the 2nd concession of Markham.

The village firemen have started a subscription to the national patriotic fund, and are thinking of holding a concert in its aid.

The officers of Ivy Lodge, A.O.U.W., were installed last evening by Bros. T. F. McMahon and I. Crosby.

North Toronto.

The congregation of Zion Baptist Church, Eglinton, has decided to drop the morning service at the church at the end of the present month, and have in its place a Bible class and Sabbath School.

A runaway occurred last night near Concord. The horse, which belongs to Mr. Alfred Morgan, of Eglinton, has not yet been found. Mr. Morgan was not seriously injured. A reward will be given for the return of the animal to the Unicott Hotel.

Toronto Junction.

Toronto Junction, Jan. 23.—The members of the Toronto Junction Horticultural Society met this evening and listened to a very interesting address upon the "Care of House Plants," by Mr. A. Gilchrist. The very difficult problem of watering was fully gone into. The effect of atmosphere in the house and outside was dealt with in a masterly manner, and indicated that with an east wind, when the atmosphere was damp, water should be used sparingly, while with a west wind and dry atmosphere more water might be used. All, however, requires judgment. In summer plants dry from the top. In the house they are likely to dry from the bottom. By empty flower pots soaked and dry, Mr. Gilchrist illustrated, ringing a sound from each, the condition of the roots within. Re-potting plants, potting palms, the soils to be used, feeding, plants and dealing with insect pests, were matters Mr. Gilchrist dealt with, and his exposure of large growth by means of nitrate of soda solution was a deterrent to nurserymen to produce immense plants with small flowers. To produce flowers, the bone dust had been found to be very beneficial, and summer heat, to purify soils, he thought even better than the winter frost.

Mr. Jonas Smith of Toronto has purchased the Simcoe block.

A social in connection with St. George's, Islington, will be held at the home of Mr. W. Clayton, Lambton Mills, on Thursday night.

The concert in St. Mark's Hall to-night was very well attended and received well-merited recognition from the audience. The features of the program were the tableaux, "When the Cat's Away," and "Sing a Song of Sixpence," and the Delsarte exercises by Lulu Charlton. Others taking part were Ernest Hancock, Stanley Platt, May Hoefner and Laura Mallaby and Dick West.

REPATRIATION OF THE HUNDREDTH.

Change of Name to "The 100th Prince of Wales Royal Canadian Regiment."

Ottawa, Jan. 23.—Following a report to the Dominion Cabinet by Hon. Dr. Borden, Minister of Militia, who considers the time opportune for the consideration of the proposal to repatriate the 100th Prince of Wales' Royal Canadian Regiment, an order-in-Council, a copy of which has been sent to the Secretary of State for the Colonies, has been passed, providing:

1. That the name of the regiment now known as "Prince of Wales' Leinster Regiment, Royal Canadians," with its depot at Birr, Ireland, designated as the "100th Regimental District," be changed to "The 100th Prince of Wales' Royal Canadian Regiment."

2. That the Imperial regimental system be continued, and that the depot of the regiment be transferred to Halifax, Nova Scotia.

3. That one battalion of the regiment be stationed in Halifax, N.S., and the other in the British Isles, or elsewhere in the Empire, the battalions taking turn and turn about to serve abroad.

4. That recruits for the regiment be enlisted in cities and towns of the 12 militia districts, and, when medically examined and passed as fit for Imperial service, be sent down at Imperial expense to the "100th Regimental Depot at Halifax, N.S."

5. That when once repatriation of the regiment is agreed to, all officers thenceforward shall be graduates from Kingston Military College, and from officers of the Canadian militia who pass the usual standards required for admission to the Imperial service.

6. That the distinctive uniform asked for in the petition to H.R.H. the Prince of Wales in 1897 be granted to the regiment, and the words "Royal Canadian," together with the maple leaf, be embroidered in white worsted on blue shoulder straps, edged with white.

7. That original distinctive national emblems, mottoes, etc., emblematic of and historically connected with the formation of the Both, be granted the regiment, and that they be borne on the colors, uniforms and appointments of all ranks.

8. That non-commissioned officers and privates at present serving in the ranks of the regiment be drafted out to other regiments and corps with the exception of a nucleus of 100 or so, to act as drill instructors, etc.

LANSDOWNE-AVENUE SUBWAY.

Mr. Lount, Q.C., Defended the City Against the Railway Companies—No Decision.

Ottawa, Jan. 23.—Argument in the appeal of the C. P. and G. T. Railways against paying half of the costs in the Lansdowne-avenue subway, as ordered by the Railway Committee, took place before the Ministers to-day. No decision was given. Mr. W. Lount, Q. C., spoke for half an hour this afternoon in the interests of the city of Toronto, holding that the railway companies should bear their share of the cost.

Now Knox or Victoria.

Osgoode Hall was beaten by Victoria in the semi-finals of the Inter-College Debating Union at Victoria College last night, thus leaving Knox and Victoria to compete for the championship. The debate was listened to by a large audience. J. R. L. Starr occupied the chair, and J. J. Maclaren, Q.C., Dr. Jas. Milligan and Prof. Farmer were the judges of the debate.

The subject of the debate was: "Resolved that, in the improvement of the conditions of mankind, the profession of divinity has been, and is, a greater factor than the profession of law."

Affirmative—Messrs. W. G. Smith, B.A., and J. L. Stewart.

Negative—Messrs. T. A. Gibson, B.A., and A. McGregor, B.A.

Other numbers on the program were banjo solos by Miss Maud Arnold, and duets by Misses Nottram and Rudell.

Reception to Their Pastor.

The congregation of St. James' Cathedral tendered a reception to their new pastor, Rev. E. A. Welch, last night in the Sunday school house. There was a large attendance of members, and all extended him a welcome.

During the evening a musical and vocal program was rendered and several selections were given by the choir.

Among the clergy present was Prof. Clark, of University College; also Dr. Parkin, of Upper Canada College. The gathering dispersed after singing "God Save the Queen."

COLDS AND CATARRH RELIEVED IN 30 MINUTES

A Catarrh Cure—that Cures.

No speech could be stronger or argument more convincing than the signed evidence of the man who has been cured outright and permanently. Fred. H. Helb, jr., Railroad, York Co., Pa., says:

"I had catarrh of the head and stomach for two years and I had it in the worst form. I spent several hundred dollars in remedies but I might as well have thrown my money in the street. I was recommended to try Dr. Agnew's Catarrhal Powder and two bottles of it have entirely cured me. I am a well man and wish its makers the greatest of success."

It will relieve cold in the head in ten minutes—pleasant to apply and harmless to use—soothing and healing.
