Montreal Herald—Odie Cleghorn was badly injured by a fall last night in front of the Quebec nets—so badly that he may not be able to perform in Saturday night's fracas between Wander-ers and Canadiens.

Odie's feet were pulled away when he was about to take a pass, and he fell heavily, alighting on his right elbow.

The force of the fall was such that the arm was numbed from the elbow down, puffed rapidly, and is today practically useless.
