

# TERAN.' CHRISTMAS TREE FOR WIDOWS AND CHILDREN OF HEROES WHO GAVE LIVES

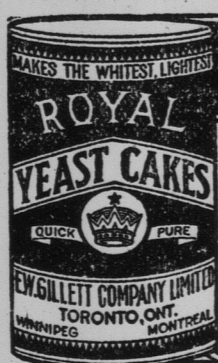

The veterans intend holding, at the Christmas season, a grand reception for the widows and families of the men who made the supreme sacrifice for Canada and the empire. There will be present at this affair eighty widows to each of whom they will present a nice pair of blankets. General Macdonnell has promised to speak to the widows and present the gifts of the veterans. This will be appreciated, no doubt, by the widows, as many of the brave boys served personally under the general's command in France and Belgium.

The 236th band will officiate. There will be a presentation, by the mayor, of the city's card to the widows, a beautiful card suitably inscribed. Each child will receive a present from the tree, a large bag of candy, ice cream and refreshments for all. The Y. W. P. A. have promised their help, as usual for the occasion, and will make the bags for the candy. They also intend giving a play shower at their next meeting. The returned boys will also give their toys at the same time.

Children to the number of about 500 will be present at the Christmas treat they include the returned soldiers' children.
