After reasoning on the subject, it was moved and seconded, **Respecting Popery.** That the Synod receive the Overture with approbation, and resolve to issue a strong declaration against the errors of the system of Popery, combined with a pointed disapproval of the conduct of those professing members of this Church, who give countenance to the system by their contributions—their influence and example, or by encouragement of customs and practices decidedly Popish, or of Seminaries of Education connected with the Popish Church; and further with the view of this, appoint a Pastoral Letter to be drawn up and circulated among our members in Lower Canada, and wherever Popery prevails in the Province, warning them of the evils of the system, pointing out their duties as Protestants, and admonishing all the members of this Church to be specially cautious in appearing to give any encouragement to Popery. They further resolved to give all countenance to the proceedings of the French Canadian Missionary Society, and to aid them in such ways as may be found most effectual for promoting these great and benevolent objects.

It was agreed that the Synod should meet to-morrow for devotional exercises at 9 A. M.

At 11 P. M. the Synod was closed with prayer.
