BELOW ZERO

It is then that you realize the true worth of good coal. Coal that burns freely, does not stinker and is free from black.

If what you buy today is intended for winter use in zero weather you cannot do better than buy Consumers' SPECIAL Hard Coal.

But first ask some of your friends about it. Get an unbiased opinion from one who has used it. Then order.

Consumers' SPECIAL Anthracite makes real fires—fires it is a pleasure to tend.

And its very goodness makes it economical.

WILLINGLY GIVES HER THIRD SON

Fifteen Year Old Boy Joins as Bugler—Hon. R. J. Ritchie Addresses Recruiting Meeting—News of the Soldiers

Another glowing example of a mother's patriotic sacrifice was given last night at the Mill street recruiting meeting, F. J. G. Knowlton presiding, when a letter was read from Mrs. Earle saying she did not object to her boy, Charles Albert Earle, aged 15 years, going with the colors as a bugler although she has two other sons at the front. A good programme was given at the meeting, those taking part including C. Cromwell, M. F. Kelly, R. Carr, Robt. Carson, P. C. Johnson, and Hon. R. J. Ritchie who gave a lengthy address. Cards received yesterday from Sgt. W. L. Clifford, Sergt. Maj. R. Edwards and Pte. D. Heywood, 26th Battalion, from the front, said they were in good health.

Roy V. Powell, wounded in action with the 26th in October is now back in the trenches, completely recovered. A successful gathering was that held last evening in the Soldiers' Club when an "at home" was held by the ladies who have promoted the organization. A pleasing programme was given in which those assisting included Miss Val de Fenton, M. T. Morris and Dr. R. Bonnell. Committees from the Women's Canadian Club and the ladies' committee of the Soldiers' Club received the visitors.

Promoted
 A promotion to a Lieutenancy is the distinction bestowed upon Sergt. Major Holly H. Patchell, son of B. R. Patchell of Stanley street, and the news will be heard of with pleasure by his friends. He has been in the Canadian militia for about seven years and took a course in artillery at Quebec which qualified him for a commission. He left for the other side with the 23rd artillery, and is now in England as gunnery instructor at Shorncliffe.

The local police department has given \$44 to the Orreassa Tobacco fund.

Casualties
 Corp. Sanford Savage, 20th battalion, Chatham, N. B., is reported to have died of wounds, and Rod Roberts, Caladonia Mines, N. S., 20th battalion as wounded. Pte. Morton A. Cameron, St. Stephen, N. B., 10th battalion, previously reported killed in action, is now reported "died of wounds." Snapper Alex Ferguson, Bridgeport, N. B., with the 6th Engineers, is seriously ill.

The ladies' committee which has been considering the proposal to take part in local recruiting at a meeting yesterday decided not to do so at the present, as recruiting is now proceeding satisfactorily.

The 55th
 Writing of the voyage of the 55th battalion to England a St. John officer says that the trip was pleasant. It was made on board the steamer "Comique." Conditions were most comfortable and the men were well looked after. The Protestant troops, and Capt. Killoran for the Catholics. Before leaving Valcartier

GRANDMA USED SAGE TEA TO DARKEN HAIR

She Mixed Sulphur With it To Restore Color, Gloss, Thickness

Common garden sage brewed into a heavy tea, with sulphur and alcohol added, will turn gray, streaked and faded hair beautifully dark and luxuriant; remove every bit of dandruff, stop scalp itching and falling hair. Just a few applications will prove a revelation if your hair is falling, gray or dry, scraggly and thin. Mixing the Sage Tea and Sulphur recipe at home though is troublesome. An easier way is to get the ready-to-use tonic, costing about 50 cents a large bottle, at drug stores known as "Wyeth's Sage and Sulphur Compound," thus avoiding a lot of fuss. While wispy, gray, faded hair is not sinful, we all desire to retain our youthful appearance and attractiveness. By darkening your hair with Wyeth's Sage and Sulphur, no one can tell, because it does it so naturally, so evenly. You just dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time, by morning all gray hairs have disappeared. After another application or two your hair becomes beautifully dark, glossy, soft and luxuriant and you appear years younger.

For England, Lieut. R. R. Rankine of St. John was promoted to a captaincy and made second in command of "D" Company.

MORNING NEWS OVER THE WIRES

William Wilkins, aged sixty-five years, a fishery guard, is believed to have been drowned on Monday night in the Restigouche river. He left his home during the evening and did not return. A searching party found footprints in the snow leading to the river, and one imprint partly under water.

William Walters, aged fifty, of Lunenburg and Dennis, aged thirty, of Yarmouth, are believed to have been drowned while fishing. The schooner "Orion" which arrived at Gloucester yesterday reports that the men were cut in a dory when a heavy fog cut them off from the vessel. The search for them was continued for several days but without success.

Mrs. Georges Garneau, of Charlesbourg, near Quebec city, gave birth to her twenty-eighth child recently while Mrs. John Michael of 12th, across the river became the mother of her twenty-ninth recently.

The Most Nourishing Seed Grown

Food scientists have long known flaxseed to be the most nourishing seed grown. It is rich in oil, and more general use, due to the fact that it can be electrically deodorized and rendered palatable to even a child. The electrically deodorized flaxseed forms 25 per cent. of Dr. Jackson's Kidney Pills—the most nourishing cereal food on the market. Relieves constipation, prevents indigestion.

To stir Roman Meat Porridge after first making it positively spoils it. Never eat meat porridge unless it is hot. It brings back the flaxseed taste.

At all live grocers, 10 and 25 cents.
