News of the Boxers

The people of Juarez, who expected to see a scrap tomorrow, are very likely to be disappointed again. They first thought they would see Johnson and Willard in action, and when that bout was postponed to a later date at the request of Johnson, the promoter announced that Jim Flynn and Gunboat Smith had been engaged to fill the gap. Flynn has arrived in the city, but Smith does not show signs of going to keep the engagement.

While it looks as if Willard is going to lose a chance to meet Johnson, Willard still continues to pick up some easy money in the Mexican city by charging 25 cents to watch him go through his training.

Joe Woodman, manager of Sam Langford, says that promoter Tommy Burns of New Orleans is giving out "wrong dope" when he says that he has signed Langford to meet Battling Jim Johnson. Woodman cannot see why he should let Langford box Johnson 90 rounds for the same guarantee he received for Langford boxing Willis 10 rounds there last year.

PEOPLE OFTEN SAY "How Are We To Know When The Kidneys Are Out Of Order?"

EASIEST THING IN THE WORLD!

The location of the kidneys, close to the small of the back, renders the detection of kidney trouble a simple matter. The note of warning comes from the back. The kidneys become overtaxed and fail to do their work at nature's call. Backache is the signal sent out by the kidneys the minute they become overtaxed. Those who heed the warning when it first comes, usually have but little trouble.

The danger lies in delay. Doan's Kidney Pills stimulate the action of the kidneys, and enable them to perform their duty properly.

Mrs. Greig Murphy, Lower Ship Harbor East, N.S., writes: "I have used Doan's Kidney Pills in my family with great success, and don't think there is a better pill for the kidneys. I was very miserable with my back, and could hardly get about. I got a box, and tried them, and found that they were really good, so I took in all about six boxes, and soon found my back cured, and my kidneys as well as ever."

Doan's Kidney Pills are 50c per box, 3 boxes for \$1.25; for sale at all dealers or mailed direct on receipt of price by The T. Millburn Co., Limited, Toronto, Ont.

When ordering direct specify "Doan's."

A REMARKABLE MEDICINE

A few days ago I suffered from Kidney trouble to such an extent I thought I was developing serious Kidney trouble. I tried Lithia Water and Tablets without relief, then I tried several doctors without any help from them in the least. My kidneys became so bad that I made the remark at the time that I would not live until Christmas. I saw Swamp-Root advertised in a paper and having tried everything else without relief, I resolved to try it and obtained a bottle—before taking the entire contents I was entirely cured and feel as if I had obtained a new lease of life.

I am very thankful for what Dr. Kilmer's Swamp-Root has done for me and consider it a wonderful medicine.

Yours very truly, GEORGE T. INGRAM, Opelika, Alabama.

Subscribed and sworn to before me, this 19th day of July, 1909. JOE H. SMITH, Notary Public, Lee County, Ala.
