NEW PICNIC IDEA

Central Sunday School Gathering Deferred Until After Vacation

The executive of Central Baptist Sunday School has decided to defer the holding of the annual Sunday school picnic until the resumption of the scholars with the reopening of public schools in September. It is thought this plan will serve in the nature of an inaugural for the fall and winter work, and be a reunion after the summer vacation period. The decision is a unique one and the experiment. It is said, will be watched with interest, as it may point a useful purpose and give more assurance of large attendance.

As Hiram Sees It

THE SETTLEMENT—I went out for a walk this morning. Peter Clinch he told me walkin' was good fer heart trouble. Well, sir—I seen the prettiest bed of anemones alongside the road that I ever seen in my life. It just turned Old Hiram to a boy agin. I picked a bunch of 'em an' started on 'em all at once I seen flowers everywhere. I got some columbine—some buttercups—an' daisies—an' clover blossoms—'an' wild flowers—'an' some more I couldn't name. I was as proud as Punch when I got back—'an' I told Hanner she couldn't match that there bouquet in her garden all summer. When I looked at the clock I seen I'd been out walkin' an' pickin' flowers more'n an hour—'an' my heart wasn't worryin' me a bit. I callate-me an' Peter 'il hev a walkin' match afore fall. It beats all what a lot o' things a feller kin find to look at an' enjoy when he has time to turn his mind to it—an' the sun aint too hot.

COURT WARNS OF SERIOUSNESS OF LAMP BREAKING

More Than Violation of By-Law Involved in Case of Boys

The police are endeavoring to put a stop to stone throwing and smashing of electric lamps in streets by boys. The morning six juveniles were before Magistrate Henderson, having been reported by Detective Saunders in connection with lamp smashing in the Millidge avenue district. It developed that one little chap had admitted stone throwing and had named five other boys who he said were with him. The other boys, under oath, testified that they had nothing to do with the lamp smashing and were discharged. The sixth boy was held responsible for the damage and his parents assessed \$4.50 to pay for the loss to the Civic Hydro Commission.

Magistrate Henderson pointed out that aside from the offence against the law which lamp breaking entailed, the practice was a dangerous one, especially where lamps were located in corners and turns of streets, inasmuch as cars were liable to be wrecked in such places and lives imperilled. He also said that in addition to the infraction of the law by acts of vandalism, interference with electric property constituted a violation of the statute.

LOCAL ORCHESTRA IS WARMLY PRAISED

Imperial Players Receive Telephone and Telegram Tributes on Broadcast Program

Persistent electric disturbance due to the showery condition of the weather in this area, and the intrusion of powerful American stations with other programs, rather spoiled reception of the Imperial Theatre orchestral concert sent out of CNRA, Moncton, last night. However, in spite of these unfavorable conditions some of the program was caught by local radio fans. A telephone message to the studio during the concert stated that telegrams and phone calls were pouring into the station from many points—some quite distant in Canada and the United States, complimenting the Saint John musicians upon their renderings.

TAKE CARE IN WOODS

Officers Anxious That Holiday Makers Guard Against Fire

The outlook today was that the fire hazard in the woods on tomorrow's holiday would be less than usual, inasmuch as showers have been frequent this month and the ground is damp in most sections, except possibly on exposed city hillsides. Others, however, to date this season there have been fewer forest fires in this province than for many years. In fact, the fire damage has been done in any county, as the government patrol has been alert and has extinguished several blazes before they gained much headway.
