

Miss Oliver, returned missionary from India, conducted an enthusiastic joint meeting of the three city Presbyterian Sabbath Schools in St. Andrew's Hall on 29th April.

On May 20th Mr. Potter, of the Sailor's Mission, addressed the school, giving an account of his work among the sailors. At a subsequent meeting of teachers and officers the sum of \$10 was granted Mr. Potter in aid of his good work.

Owing to the liberality of the congregation, for which we return our sincere thanks, 94 volumes have been added to the library during the year.

The following scholars are entitled to Kirk-Session prizes for having recited the entire Shorter Catechism:—Annie Baillie, Grace Connor, Annie Mercer, Ruby Donnelly, George Mudie, Henry Baillie, James Hopkirk, Balfour Mudie.

Mothers' Catechism—Bella McClelland, Annie Smeaton, Flora King, Bella Lane, Joseph Hackett.

Paraphrases—Jessie Connor, Birdie McDonald, Ethel Boyd.

Since our last report was submitted 14 scholars have joined the Church.

The following special collections were made during the year:—Building Fund, \$26.72; Home Missions, \$16.89; Formosa Mission, \$9.57.

The annual Sabbath School Pic-Nic and Christmas Festival were held and were as successful as usual. Much of the success of both of those events is due to the good management of Mrs. Paul.

We unite in expressing our regret at the illness of Miss Gray, and trust we may see her in her accustomed place fully restored to health.

In closing our report we desire to record our high sense of the services rendered the school by Mr. Samuel Shannon as organist, and return our grateful thanks for the same.

All which is respectfully submitted.

J. POLLIE,
Secretary.
