UPHEAVAL IN CHINESE COURT

PREMONITIONS OF

Celestial Ministers Will Study Methods of Administration in Countries Where They Are

Washington, D. C., Sept. 10.—On April 23rd last the then Chinese minister here, Sir Shentung Liang Cheng, was informed of the purpose of his government to recall him to China to ake an important post in the Chinese foreign office, and that he would be succeeded in Washington by Liang Tun Yen, so if the latter owes his appointment to Washing to Yuan Shi Kai, as reported from Pekin, it is evident that the great viceroy was able to arrange for this appointment long before he was himself summoned to Pekin as a member of the board of foreign affairs, and the inevitable inference is that the present upheaveal in the court circles | ject. is the working out of plans formed

Lieng Tung Yen, the new minister, was Chinese customs taotal at Tientsin, and is understood to be one of the trusted lieutenants of Yuan Shi Kai. who has come to be regarded as the successor of Li Hung Chang as director of the destiny of China. Lian understands English perfectly, being a graduate of Yale, and it is believed has been chosen by Yuan Shi Kai to be lin, superintendent of the Akulai political prison in Trans-Baikalia, was litical prison in Trans-Baikalia, was lit court, which is seeking to reform

It is intimated that while the Chines government was much gratified with the receptions accorded to the two commissions composed of high nobles which made tours last spring of Europe and America, very little material profit followed from these extended

In fact either from lack of powers of servation, or because they were more attracted to the social side, the members of the commissions did not secure the specific information relative to American and European methods of administration that would enable the

to be inaugurated in China. avail the services of China's resident minister to gather such information, and the authorities at home were confirmed in this decision by the return to China of Chentung Liang Cheng.

GRANBY RUNNING

Eight Furnaces at Company's Smelter in Operation Again--Sufficient

at the company's smelter are all runrun full blast at the one time the coke shortage having been felt since the strike

Hodges was in the city yesterday for the purpose of interviewing the Pre-mier upon business matters. He has sole charge of the big interests held by the Granby company, including the Grand Forks smelter, the Phoenix copper deposits and other properties at Rossland, and the Independence group. In an interview yesterday, he stated that the coke shortage had been a very serious matter for his company and that he in matter for his company, and that he intended to interview the government up this matter. The smelter requires 500 tons of coke a day to keep all furnaces running up to their capacity of over 400 tons of ore a day. Since the strike only the mining smelting industry of the about half the furnaces have been run-

ore bodies. He stated that, although company was handling 80,000 tons of ore from these mines every month the speaking, vary 15 cents in grading value rding to Mr. Hodges, the company plans to increase the capacity of the smelter to 5,000 tons a day, and to accomplish this the furnaces will be enlarged.

SECRETARY TAFT IN SEATTLE.

ATLANTIC BLUE RIBON

North German Lloyd Will Build Vessel With a 28-Knot Speed.

New York, Sept. 10 .- A new turn has een given to steamship rivalry and the rate war on the Atlantic, says the Times to-day, by a statement of a North German Lloyd official, that in the event of the Cunard liner Lusitania heating the Atlantic record of the North German Lloyd, the latter will at once begin to build a liner with a minimum speed of 28 knots. This is equivalent to a speed of 32 land miles an hour. It is also stated, and believed, that the Atlantic rate war will pass through a crisis between now and Saturday. It is expected that the Cunard line will cut first cabin rates far below the pres ent rate of the Etruria, which is \$60 before her date of sailing.

QUEBEC BRIDGE DISASTER

Loss Will Be Only About One-Fourth of First Estimate—Will Be Rebuilt.

Philadelphia, Pa., Sept. 10 .- David Reeves, the resident engineer of the Phoenix Bridge Company, said to-day Quebec bridge has not been completed, he did not believe that the loss would be one-fourth as large as was at first supposed. Other officials of the Bridge Company declared that work of rebuilding the bridge would be continued if the Canadian government did not the

PUBLIC RECEPTION

To HON. G. GRAHAM

The relations of Japan and Great that the aims of the world, to-day sent a cablegram to President that the matter will be ultimately settled satisfactorily, although the condition thanking into the conditions which prevail with regard to his countrymen on this continent. He states that Japan will not make the recent rioting an international incident. The relations of Japan and Great that the aims of the world, to-day sent a cablegram to President that the matter will be ultimately settled satisfactorily, although the condition that the matter of the matter will be woven to permit of a check from such

A wave of amelioration seems to have spread over the conditions which

Vancouver, Sept. 11.—Mr. Ishii, the Japanese delegate from Tokio, left here for Ottawa this morning. Before leaving he said: "I have received cable from our government in Tokio, and gather from them that Japan will not make an international incident about these riots. The relations between Britain and Japan are very close and will not be disturbed by this incident. Of course we will demand payment of damages to individual Japanese, but you will not hear from the government officially in this matter. I do not look for further riots. The situation is well in hand here, our people having no Messrs. Simon Leiser, E. G. Prior, J. A. more fear."

Council's Action. Vancouver, Sept. 11.—The city council last evening passed a special by-law to prohibit the wrestling match between a white man and a Japanese for Thursday. The mayor sent a tele-gram to Sir Wilfrid Laurier stating that twenty arrests of the rioters had been made, and that the disturbances were directed against Asiatics in general, and not particularly of Japanese. Two Chinamen yesterday snatched a baby from a door-step, and threw it into the centre of the street traffic and fled. They were not arrested. All the Chinese strikers returned to work this

morning, and the hotels and restaurants resumed business.
